TO: Prospective Bidders

FROM: Sean Epperson, PE, Deputy Division Traffic Engineer

SUBJECT: Addendum 1 – Federal Wage Rates

The new federal wage rates within this contract do not include a rate for an electrician classification. We have requested a rate for this classification from the U.S. Department of Labor. If the new wage rate becomes available before bids are due it will be posted on the website as an addendum to this contract. However, if the wage rate becomes available after bids are due the low bidder will still be required to meet this new wage rate.
