## TELL US YOUR VIEWS

Your opinions about this project are important to us. Please use the space below to include your comments or questions. If you need additional space, please take additional sheets or you may include your own letter.

1. Several alternative routes for completing 540 are being considered for detailed study. Each of these is on display at today's public meeting. Which do you prefer, and why?

*Continued on other side* →

2. For the project alternative routes, are there any types of impacts that are of particular concern to you and your community? These can include such things as protected species, streams, wetlands, neighborhoods, noise, visual impacts, parks, historic sites, etc.

3. What other comments do you have about the Complete 540 project? For example, if you have ideas for alternatives that you feel NCDOT should consider, please list them here.

4. Do you have any comments or suggestions regarding the format (e.g., displays, location) for future meetings?
