MARCH 2026

NOTE:
The limits of construction and their impacts shown on this meeting map are based on preliminary designs and survey information. During the final design phase, efforts to minimize impacts, where feasible, will be made using final survey information. Driveway locations will also be determined during final design.

NOTE:
Items deemed to be betterments are contingent upon municipal agreement.

NOTE:
To provide greater visual clarity existing and proposed utilities are not shown on these maps or on other displays. The utility information shown on these maps is limited to locations of major utility facilities. Other utilities, not shown on the displays or these maps, including utility easements, are preliminary and are subject to change.
