Project U-2579A (Eastern Extension)

From this web page, you can download/view the Public Hearing Maps for the six Detailed Study Alternatives for TIP Project U-2579A:

How to Use the Table Below

Each Detailed Study Alternative has four Public Hearing Map rolls associated with it - Map 1, Map 2, Map 2A, and Map 3. In the table below, find the map and alternative you are interested in, and click on the square that lines up with that map and alternative.

MAP	ALTERNATIVE					
	N1-S1	N1-S2	N2-S1	N2-S2	N3-S1	N3-S2
Map 1 - **Northern portion**, from north of West Mountain Street to south of US 421/Business 40. Widening of US 421/Business 40 east of Beltway is shown as inset.						
Map 2 - **Middle portion**, from north of Kernersville Road, including Kernersville Road interchange, to south of Glenn Hi Road. Widening of I-40 west of Beltway is shown as inset.						
Map 2A - **Same as Map 2**, but without the interchange at Kernersville Road.						
Map 3 - **Southern portion** from north of High Point Road to US 311, including interchange modifications and widening of US 311. Widening of I-40 east of Beltway is shown as an inset.
