BOARD OF TRANSPORTATION MEETING

April 3, 2024

Committee Meetings

No Committee Meetings were held this month.

Official Board Meeting

Wednesday, April 3, 2024

Chairman Fox welcomed the members of the Board to the meeting hosted at the Omni Grove Park Inn in Asheville, NC.

Roll Call

Chairman Fox conducted a roll call of members with the following members present in the meeting: Chairman Fox, Vice Chair Perkins, Board Member Alcoke, Board Member Daughtry, Board Member Mathis, Board Member Molamphy, Board Member Rosenburgh, Board Member Lathrop, Board Member Phillips, Board Member Lail, Board Member Clarke, Board Member Cody, and Board Member McGrady.

The following members were present via teams: Board Member Zimmer, Board Member Mitchell, Board Member Jordan, and Board Member Hunt.

The following members were absent: Board Member Moran, and Board Member Harrington.

Declaration of Quorum

Following the roll call, Chairman Fox stated the members participating constituted a quorum of the Board and he declared the meeting open.

Call to Order

Chairman Fox called the full board meeting to order on Wednesday, April 3, 2024.

Ethics Statement

Chairman Fox read the Ethics Statement advising all members of the Board that may have any conflict of interest, or appearance of conflict, to refrain from participation in that item and to file the proper paperwork with the Secretary to the Board of Transportation.

Chairman Fox read, "In accordance with the State Government Ethics Act, Executive Order No. 2 issued on January 12, 2009, and N. C. G. S. §143B-350, it is the duty of every Board member to avoid both conflicts of interest and appearances of conflict. "To comply with this statement and the State Ethics Law, I ask whether any Board member has a known conflict of interest or appearance of conflict with respect to any matters coming before the Board today."

"If so, please identify the conflict or appearance of conflict when the item appears on the agenda for consideration, refrain from any undue participation in the particular matter involved and sign before our notary the Declaration that has been provided to you for such purpose."

Pledge of Allegiance

Chairman Fox invited Secretary Hopkins to lead the members of the Board and all other meeting attendees in the Pledge of Allegiance.

Approval – March 6-7, 2024, Meeting Minutes

Chairman Fox stated the meeting minutes from March 6-7, 2024, were distributed for review prior to the meeting. Chairman Fox stated if there are no additions or corrections, he would accept a motion to approve the March 6-7, 2024, meeting minutes of the Board of Transportation. A motion was made by Board Member Cody and a second by Board Member McGrady. The minutes were approved unanimously by members of the Board.

Chairman Fox stated the motion passed.

Innovative Technology and Product Awareness

Chairman Fox noted that a copy of this month's Innovative Technology and Product Awareness update was provided to members of the Board for review and posted on the Board's website for review.

HMIP Update

Chairman Fox welcomed Emily McGraw, Director of Highway Operations, to present an HMIP Update.

Presentation is attached at the end of this document.

STIP Update

Chairman Fox welcomed David Wasserman, Manager of STIP Western Region, to present a STIP Update.

Presentation is attached at the end of this document.

Secretary's Remarks

Secretary Hopkins started off by welcoming everyone to the Board of Transportation meeting. He also thanked David Wasserman and Leigh Wing for the STIP presentation. He also mentioned that the financial update was posted to the Board website and that our cash balance is still strong, and our cash as a percentage of commitments is in the green. He thanked both Divisions 13 and 14 for hosting the Board and staff on the travel trip this week. It is great to see everything going on firsthand.

Secretary Hopkins extended our thoughts and prayers to those impacted by the Francis Scott Key Bridge incident, including our colleagues in Maryland. Our staff is monitoring this tragic situation and outcome, and we will apply the lessons learned from it here in North Carolina to ensure safe travel routes for our citizens and businesses. He also took a moment to recognize the recent losses of a couple of our employees. Our thoughts and prayers are with the family and friends of Jon Lecompte and the Division 6 team and of Edward "Lee" Moore Jr. and the team in Division 2. These are two employees that we lost recently in workplace incidents. We have thousands of employees whose work exposes them to hazard situations each day, and it's all our responsibility to make sure that they get home safely. Please, everyone, remain vigilant and be careful out there.

Secretary Hopkins announced that we begin work zone safety month this month. We are seeing our IMAP drivers getting struck at an alarming rate by passing vehicles – nearly once per month dating back to 2022. About a dozen of these incidents have occurred here in our western counties of Buncombe, Haywood, and Henderson. This is a good time to remind everyone

about the move over law. This law requires drivers to move over or at the very least slow down when driving past a stopped emergency vehicle with red, blue, or amber flashing lights. We're really pushing this point lately online and on social media, and our Communications team has developed several PSAs we are hoping media across the state will run during their broadcasts. He then played a short PSA video that is specific to the western NC region. As the name implies, this is the law – not an option. Following these rules could save someone's life.

Secretary Hopkins announced that recently, the North Carolina Division of Motor Vehicles officially rolled out its much-anticipated kiosks pilot last month. These self-service kiosks provide another way for citizens to renew and order duplicate driver licenses and state IDs, update voter registration, and will soon include vehicle tag and tax renewals. He then showed a picture of Commissioner Goodwin at one of the unveiling events. The kiosks can provide services outside of typical office hours and will hopefully shorten lines and wait times at offices across the state. These are now available at select Harris Teeter grocery stores in Raleigh, Charlotte, and Fayetteville. For more information and specific locations, visit ncdot.gov and search "kiosks."

Secretary Hopkins mentioned that another wave of the Technical Training Series is upcoming. The Technical Training Series is a pilot program that offers various courses to small highway construction contractors interested in working on NCDOT projects. This is a free program limited to 25 firms per class and provides an overview of the skills and resources necessary to work on our various projects. There are many opportunities to get involved this month, as one training will be held April 11, 2024, in Durham, and another will take place April 18, 2024, in Wilkesboro. Future trainings will be held in other parts of the state later this year and we encourage anyone interested to register to go to ncdot.gov and search "technical training."

Secretary Hopkins announced that there was another update on the 2024 Aviation Art Contest. Three of our state winners went on to place in the top-3 in the national event and advanced to the international competition. Isabel Chang of Cary Academy and Yeji Na of Cary Christian School won 1st and 3rd place in the senior category in the national contest. Jasmine Lee of Antioch Elementary School also won 1st place in the junior category. Their artwork on the topic "Air Sports for a Peaceful World" is shown here on-screen and can also be found along with other entries on our Flickr site. Congratulations to these young artists! Their work will now be judged in the international contest in June.

Secretary Hopkins reminded staff of a little housekeeping note for our staff: We have seen a steady increase in phishing attempts recently and want to make sure everyone is aware. Thankfully our cyber security team has resolved the issue. We remind everyone to be vigilant

and aware when opening or replying to emails from suspect sources. Cybersecurity is everyone's responsibility.

Secretary Hopkins also reminded everyone that we have two transportation conferences over the next two months. This year's North Carolina Traffic Safety Conference will be from April 23 – 25, 2024, at the Greenville Convention Center. Also, the 5th annual North Carolina Transportation Summit will take place May 21 – 22, 2024, at the Koury Convention Center in Greensboro. He encouraged everyone to register now for both events. They are great ways for us to explore topics related to safety, funding and innovation for North Carolina's growing population and transportation needs.

Secretary Hopkins then mentioned that he had several personnel updates to share. First, from the Division of Planning and Programming, he congratulated Van Argabright on his retirement as of April 1, 2024. Van served NCDOT for many years and has left a legacy of knowledge. His presence and contributions to the department will be greatly missed, but we wish him nothing but the best in his retirement. He announced Leigh Wing as the new director of Planning and Programming. Leigh has held many roles within the department from Bridge Maintenance, Value Management, the Chief's Office, and most recently, varying roles within the Division of Planning and Programming. We are excited to have Leigh step from her Deputy Director role into Director and look forward to her involvement in leadership with NCDOT. After overseeing our Communications Office for nearly three years, Carly Olexik has accepted a new role in the North Carolina Turnpike Authority to serve as Director of Innovative Project Delivery. We appreciate Carly's efforts over the past few years to share our department's positive stories and improve the way we communicate externally with the public and internally with our employees. Tammy Stewart, who has worked in the department for nearly 24 years, is now serving as acting Communications Director. He also announced that David Roy has accepted a promotion in the Turnpike Authority to serve as Director of Innovative Project Financing. David has overseen the financial operations in the Authority for more than 10 years, most recently serving as Chief Financial Officer. Cheryl Reed, Turnpike's Deputy Chief Financial Officer will serve as acting Chief Financial Officer. We are fortunate to have all these folks serving in leadership roles. I hope everyone will join me in congratulating and supporting them in their new positions.

Lastly, Secretary Hopkins presented a video highlighting some of our local employees whose service doesn't end when their NCDOT shifts end. Thank you to these gentlemen, and to all our employees across the state who strive to keep us safe and improve the quality of our life's day in and day out.

INFORMATION AND DELEGATED AUTHORITY ITEMS

Delegated Authority

Chairman Fox stated that items C, D, E, H, and L are delegated to the Secretary and require no formal action by the Board.

Item C:

Chairman Fox stated for the record for Item C that all bids were awarded by the Secretary to the low bidder.

ACTION

Action – Project Items

Chairman Fox asked members of the Board to announce any recusals to the action items within the presented project items. Recusals made by members of the Board on project items are noted below.

Chairman Fox reminded any member of the board that made a recusal to email the completed recusal form to Marilyn McHilse, Board Secretary. He also mentioned that board members sign and email or return the Ethics Declaration.

Chairman Fox invited a motion to approve the project items as presented. A motion was made by Board Member Rosenburgh and a second by Board Member Lail to approve all projects for G, I, K, M, N, O, and R. Chairman Fox conducted a roll call vote of participating members, and the project items were approved unanimously by members of the Board.

Chairman Fox stated the motion passed.

Action – P3 Policies

Chairman Fox introduced two Public Private Partnership Policies as the last action item. He stated that members of the Board received this for review at last month's Board Meeting. After hearing no further discussion, Chairman Fox invited a motion to approve the two Public Private Partnership Policies: Public-Private Partnerships Payments to NCDOT and Public-Private Partnerships. A motion was made by Board Member Clarke and a second by Board Member Lathrop. The P3 Policies were approved unanimously by members of the Board.

Chairman Fox stated the motion passed.

A copy of both policies is attached at the end of this document.

Recusals

Board Member Zimmer recused himself from voting on the following projects:

- **Item O– Guilford County, Project U-6016. WBS 47161.1.1 and WBS 47161.3.1**
This Project consists of intersection improvements at SR 2124 (Lewiston Road) and SR 2136 (Fleming Road). At the request of the Municipality, the Department will design the relocation and include provisions in the construction contracts for the contractor to adjust and/or relocate municipally-owned water lines. The Municipality shall reimburse the Department the entire cost of said utility work. The estimated reimbursement from the Municipality is \$143,182.82. This agenda item supersedes the item that was approved by the BOT on March 7, 2024.

Board Member Lathrop recused himself from voting on the following projects:

- **Item O – Johnston County, 80072**

This Project consists of constructing a left turn lane on SR 1551 (Guy Road) and realigning SR 1550 (Winston Road) at SR 1551 (Guy Road). At the request of the Developer, the Department shall install a traffic signal at SR 1551 (Guy Road) and SR 1550 (Winston Road). The Developer shall reimburse the Department 100% of the actual cost of the work. The estimated cost of the Project is \$79,570.

- **Item O – Pender County, 36249.4826**

This Project consists of review and inspection of a traffic signal modification at the intersection of NC 50/NC 50-120 (Roland Avenue) and NC 210 (New River Drive)/SR 1534 (Belt Road) in Surf City. The Developer shall reimburse the Department 100% of the cost of the Department's review and inspection of the signals. The estimated reimbursement is \$5,000.

- **Item O – Iredell County, 36249.4829**

This Project consists of a review and inspection of a traffic signal installation at the intersection at SR 2735 (Salisbury Road) at the I-77 southbound ramps and a signal installation at SR 2333 (Eastside Drive) and SR 2320 (E Greenbriar Road). The Developer shall reimburse the Department 100% of the cost of the Department's review and inspection of the signals. The estimated reimbursement is \$12,000.

- **Item O – Mecklenburg County, B-5931**

This Project consists of replacing Bridge #443 on Morris Field Drive over the Norfolk Southern Railroad in Charlotte. This Supplemental Agreement is to increase funding for the Project. The Department's original participation was \$2,480,000. The Department agrees to pay an additional \$3,337,352 (80%) for a total of \$5,817,352 in Federal funds. The Municipality's original participation was \$620,000. The Municipality will provide an additional \$834,338 (20%) for a total of \$1,454,338 as their local match, and all costs that exceed the new total available funding of \$7,271,690.

- **Item O – Mecklenburg County, W-5710X**

This Project consists of safety improvements on SR 2042 (Oakdale Road), SR 2108 (Sunset Boulevard), SR 2025 (Miranda Road) and SR 2040 (Lawing Road); realignment of SR 2025 (Miranda Road) to tie into SR 2042 (Oakdale Road) at SR 2041 (Simpson Road); and the construction of roundabouts at the intersection of SR 2025 (Miranda Road) and SR 2042 (Oakdale Road) and at the intersection of SR 2042 (Oakdale Road) and SR 2108 (Sunset Road)/SR 2040 (Lawing Road) in Charlotte. This agreement will modify the distribution of

funding for the construction phase. The estimated cost of the construction phase is \$6,500,000. The Department will participate in 80% of the construction costs up to \$2,854,984 and the Municipality shall provide a local participation amount of 20% or \$713,746. The Municipality will then provide additional funding of \$1,425,692 and the Department will provide additional HSIP funds of \$1,505,578. If costs are anticipated to exceed \$6,500,000, the Department and the Municipality will agree on a cost-share plan.

- **Item O – Mecklenburg County, EB-5785**

This Project consists of construction of the McDowell Creek Greenway from Chilgrove Lane to Highway 73. This Supplemental Agreement is to increase funding for the Project. The Department's original participation was \$2,479,200. The Department agrees to pay an additional \$1,792,000 (80%) for a total of \$4,271,200 in CMAQ funds. The County's original participation was \$619,800. The County will provide an additional \$448,000 (20%) for a total of \$1,067,800 as their local match, and all costs that exceed the total available funding of \$5,339,000. This Supplemental Agreement is also to extend the completion date for the Project to December 31, 2027, in lieu of June 30, 2024.

STIP Update

David Wasserman, PE – STIP Western Region Manager

April 3, 2024

Inflation

Inflation = increase in prices for goods and services over time

FHWA/FTA requires that the STIP account for inflation

Currently NCDOT reserves a portion of the available funding to account for inflation

Inflation amount is evaluated as we begin each new STIP development cycle

In the 2024-2033 STIP, \$4.1B was reserved to account for inflation over the 10 years

Inflation

National Highway Construction Cost Index (NHCCI)
vs NCDOT Construction Cost Index
2013 to 2023

NHCCI 10 YR Average = 5.8%

NCDOT 10 YR Average = 6.9%

NCDOT Policy

Public-Private Partnerships Payments to NCDOT

Business Category:	NC Department of Transportation
Business Area:	Public-Private Partnerships Revenue Share/Payments/Receipts
Approval Requirements:	Business Unit Representative, Executive Staff, Legal Counsel, Board of Transportation
Approval Date:	
Last Revision Date:	April 3, 2024
Next Review Date:	This document is required to be updated when state laws are changed or updated in such manner that said actions impact the policy.

Authority:

The referenced authorities are not to imply that the Department is limited to just the below:

[NCGS § 143B-345](#)

[NCGS § 143B-350](#)

[NCGS § 136-44.3A\(a\)](#)

[NCGS § 136-189.10\(2\)](#)

[NCGS § 136-189.11\(d\)\(3\)\(a\)](#)

[NCGS §136-18\(39a\) – Highway DBFOM](#)

[NCGS §136-18 \(46\) – Telecommunications](#)

[NCGS §143B-350\(f\)\(12a\) – Powers of the Board](#)

Policy Owner(s): The NCDOT Chief Financial Officer, Chief Engineer, Division Engineer(s), and the NCTA Executive Director.

Definitions:

- “Board” shall mean the Board of Transportation as enacted by NCGS §143B-350.
- “Department” shall mean the North Carolina Department of Transportation as enacted by NCGS § 143B-345.
- “Payment” shall mean unobligated funds paid to the Department by the private-sector partner due to the Department’s participation in the P3 Project, including but not limited to, revenue share, refinancing gains and

concession payments.

- “Public-Private Partnership” (or “P3”) shall mean a contractual agreement between the Department and one or more private-sector entities for the purpose of delivering, operating, and/or maintaining a transportation facility.
- “P3 Project” shall mean the transportation facility that is the subject of the P3.
- “Short-Term Investment Fund” (or “STIF”) shall mean an account within the State Treasurer’s managed portfolio in the statewide cash management program.

Purpose:

This policy outlines how Payments are to be accounted for by the Department and defines the activities for which these funds shall be used.

Policy:

NCGS § 136-18(39a) enables the Department to enter into public-private partnerships and mandates the solicitation for proposals for agreements. P3s can leverage private funding to assist in infrastructure design, construction, financing, maintenance, and operations.

Revenue on P3 projects shall be managed in accordance with the terms established in the project contract.

Should the implementation or operation of a P3 project generate a Payment, the funds received by the Department shall be deposited into a STIF Account established for the P3 project and staff are directed to establish a flow of funds to distribute any payments received in accordance with NCGS § 136 and 143B and expended by the Department only on projects within the counties in which the P3 project generates funds.

Scope:

This policy is limited to the use of funds derived from Payments and does not apply to funds appropriated to the Highway Fund or Highway Trust Fund or derived from North Carolina Turnpike Authority project revenues.

Policy Revisions:

This document is required to be updated when state laws are changed or updated in such manner that said actions impact the policy.

Public-Private Partnerships

Business Category:	NC Department of Transportation
Business Area:	Public-Private Partnerships
Approval Requirements:	Business Unit Representative, Executive Staff, Legal Counsel, Board of Transportation
Approval Date:	
Last Revision Date:	April 3, 2024
Next Review Date:	This document is required to be updated when state and federal laws are changed or updated regarding public-private partnerships that may impact the requirements outlined in the policy.

Legislative History:

[Session Law 2006-230](#), approved in August 2006, authorized the Department to enter into agreements with private entities to finance the cost of acquiring, constructing, equipping, maintaining, and operating highways, roads, streets, and bridges, subject to the approval of the Board of Transportation.

[Session Law 2007-439](#), approved in August 2007, directed the Department to give priority to partnership agreements for highways, roads, streets and bridges and requires the Department to report concurrently to the Board of Transportation and to the Chairs of the Joint Legislative Transportation Oversight Committee, the Chairs of the House of Representatives Appropriations Subcommittee on Transportation, and the Chairs of the Senate Appropriations Committee on Transportation regarding any such proposed agreement.

[Session Law 2008-164](#), approved in August 2008, expanded the Department's authority to expressly permit the Department to enter into agreements to plan, design, develop, acquire, construct, equip, maintain, and operate highways, roads, streets, bridges, and existing rail, as well as properties adjoining existing rail lines in the State. The 2008 legislation further stipulates that any contracts for construction of highways, roads, streets, and bridges which are awarded pursuant to such an agreement entered shall comply with the competitive bidding requirements of Article 2 of Chapter 136 of the General Statutes.

[Session Law 2009-266](#), approved in July 2009, amended language in the General Statutes to clarify that "transportation system" refers to all modes of transportation infrastructure owned and maintained by the Department, including roads, highways, rail, ferry, aviation, public transportation, and bicycle and pedestrian facilities.

[Session Law 2012-184](#), approved in July 2012, requires contracts that have construction capital cost payments made more than 18 months after final acceptance be approved by the Local Government Commission. The legislation permits the Department to act as a conduit issuer for private activity bonds to the extent the bonds do not constitute a debt obligation of the State.

[Session Law 2013-183](#), approved June 2013, outlines reporting requirements prior to execution of

comprehensive agreements and directs the Department to establish standards for such comprehensive

agreements with private partners. The legislation also established the "Strategic Prioritization Funding Plan for Transportation Investments," and created incentives for highway tolling where the Department may revise its project selection based on funding directly attributable to toll revenue.

Definitions:

“Department” shall mean the North Carolina Department of Transportation as enacted by NCGS § 143B-345.

“Board” shall mean Board of Transportation as enacted by NCGS § 143B-350.

“Project” shall mean a new or existing transportation facility with a defined terminus.

“Public-Private Partnership” (or “P3”) shall mean a contractual agreement between the department and one or more private-sector entities for the purpose of delivering, operating, and/or maintaining a transportation facility.

“Unsolicited Proposal” a written concept for a new or innovative Public-Private Partnership submitted to the Department on the initiative of the offeror for the purpose of entering into a Public-Private Partnership with the Department, and that is not in response to a Request for Proposals, or any other Department-initiated solicitation or program.

“Capital Plan” is the State Transportation Improvement Program, or STIP, which identifies transportation projects that will receive funding in a 10-year period.

Purpose:

The primary purpose of Public-Private Partnerships is to leverage public funds or other resources with private investment to accelerate, enhance, or otherwise improve the delivery, operation, or maintenance of public transportation infrastructure. This document sets forth the Department’s requirements for establishing processes and guidelines when considering, evaluating, selecting, and procuring projects that include partnership with one or more private entities that wish to develop, design, build, finance, operate or maintain a transportation facility. The Department should utilize this policy to review and update all existing Public-Private Partnership guidelines and as direction in the development of new Public-Private Partnership guidelines.

Scope:

This policy applies to all offices, departments, units, etc., associated with the planning, development, design, construction, operation or maintenance of transportation infrastructure that are considering entering into a Public-Private Partnership.

Required Public-Private Partnership Guidelines:

The Department shall include the following in any revised or newly developed P3 guidelines:

- 1) For Public-Private Partnerships that are independent of the Capital Plan, the Department shall develop guidelines that include, at a minimum, the following:
 - Screening criteria or a data-driven process for identifying projects suitable for Public-Private Partnership.
 - A process for notifying and engaging the public regarding the P3.
 - A process for notifying and engaging private-sectors entities that participate in the market targeted by the P3.
 - A procurement and solicitation process that includes clear selection criteria for contract awards.
 - Clear direction on how the Department will implement and oversee the P3.

- 2) In addition to the guidelines and processes listed in paragraph 1, Public-Private Partnerships that are part of the Capital Plan, the Department shall develop guidelines shall also include, at a minimum, the following:
- A process for obtaining any necessary approvals from any Metropolitan Planning Organization or Rural Planning Organization impacted by the P3.
 - A requirement and process for conducting a Value for Money analysis if required by federal law.

Guidelines for Unsolicited Proposals

- 1) The Department shall accept Unsolicited Proposals for projects both included in and independent of the Capital Plan. The Department shall include, at a minimum, the following in any guidelines for receiving and evaluating Unsolicited Proposals:
- A process for notifying relevant local planning organizations.
 - A process for posting the Executive Summary as described in paragraph 2 below.
 - Clear criteria that will be utilized in evaluating the unsolicited proposal and making a determination as to whether the unsolicited proposal will be accepted or rejected.
- a. Executive Summary -- At a minimum, Unsolicited Proposal(s) received for any public-private partnership are required to include an Executive Summary in accordance with guidelines established by the Department, covering the major elements of the proposal that do not address the Proposer's price, financing plan, or other confidential or proprietary information or trade secrets the Proposer intends to be exempt from disclosure. The Executive Summary will be a public document.
- b. Competitive Procurement -- any project that is ultimately pursued as a result of the receipt of an Unsolicited Proposal shall be competitively advertised and procured in accordance with the applicable Public-Private Partnership guidelines.
- To the extent allowable by law, the Department may establish guidelines for assessing a fee in connection with the submission and review of an unsolicited proposal. Any fee established may not exceed the anticipated cost of review.

Policy Revisions:

This document is required to be updated when state and federal laws are changed or updated regarding public-private partnerships that may impact the requirements outlined in the policy.
