SPOT P8 Final Recommendations

Background

Project solicitation for the 8th round of the NCDOT's Strategic Prioritization (P8) is set to begin in July through Board of Transportation action. Since October 2024, the P8 Workgroup, made up of various stakeholders throughout the State, has worked on recommendations to improve the Prioritization process moving forward. The BOT has been provided updates along the way of their progress and recommendations. The P8 process will ultimately result in the programming of projects in the 2028-2037 STIP that will be released in early 2027.

Information

- The SPOT P8 Final Recommendations were presented to the board for consideration during its June 5, 2025, meeting.

Action

- The board is scheduled to vote on the SPOT P8 Final Recommendations during its July 9, 2025, meeting.
