Welcome, Introductions, Call to Order & Declaration of Quorum – Montell Irvin, PE, Chair

Discussion Summary

Chairman Montell Irvin welcomed everyone to the January 21, 2021 Operations Committee meeting and asked all in attendance by phone and webinar to introduce themselves. Chairman Irvin thanked everyone for attending the meeting via conference call/webinar.

He stated that the Committee is getting closer to meeting in person: shooting for the next meeting (June) to be in person. Mr. Irvin shared that he had seen an email which showed the “Roads and Bridges” cover store about the Complete 540 project. He said that being recognized is a testament to the team's hard work and success.

Opening Comments – J. J. Eden, NCTA Executive Director

Discussion Summary

Mr. J.J. Eden began the opening comments with an update on the Triangle Expressway, stating revenue for February was \$3.01 million with over 3.57 million transactions.

Mr. Eden gave an update on the Monroe Expressway, stating transactions for the month of February were nearly 2.58 million, and revenue was \$1.78 million.

Mr. Eden stated the month of February had 12,200 transponders distributed with nearly 952,500 distributed program-to-date as of February 28, 2021. Mr. Eden added that NC Quick Pass is almost at the one millionth customer for transponder purchases.

Mr. Eden noted that Turnpike is in good shape and was recently featured on the cover of Roads & Bridges.

Mr. Charles Travis spoke about traffic changes/patterns in the Charlotte/Lake Norman area. Ms. Mary Clayton also noted some of the changes in traffic overall, not just peak hours. Chairman Irvin also noted the changing traffic patterns around Raleigh/RTP.

Complete 540 Construction Update – Dennis Jernigan, PE, Deputy Chief Engineer for Highway Operations

Discussion Summary

Mr. Dennis Jernigan gave an update on the Complete 540 construction and introduced a map tool created by the R-2828 team. Mr. Jernigan also provided an update on the outreach activities and the recent media coverage.

Chairman Irvin inquired if the recent, dry weather allowed the project team to catch up from last year's rainy weather. Mr. Jernigan stated the team has been able to make significant progress. Chairman Irvin inquired if the map tool was vetted to ensure accuracy. Mr. Jernigan noted that there will be a disclaimer added that the tool is not a 100% accurate representation of the project.

Ms. Mary Clayton noted the tremendous amount of exposure and inquired about the feedback or commentary received from the exposure. Mr. Jernigan noted that the meetings were currently virtual, and the team has received numerous positive comments and feedback
