

FY22 NSTI Call for Statements of Work Webinar Addendum

1. If NSTI is a hybrid program, do we choose virtual and non-residential or only select one?
 - a. You can select, one, or both, or all three.
2. The most recent Desk Reference is dated August 2019, so is considered Fiscal Year(FY) 2020.
3. If a state is going to run more than one NSTI program in a year, would you complete a different proposal workbook for each program, or combine them into one?
 - a. Yes, a separate SOW/budget for each program is required. No combinations. A school may have two programs in two separate locations, but only one SOW with different budgets to be able to discern between programs.
4. Is there anything that prevents a single host site from submitting more than one statement of work if they are proposing different programs?
 - a. A host site may submit one SOW with separate budgets if it is proposing different

*****Remember: For NSTI, ALL budgets must be submitted in Excel format ONLY. PDF versions are unacceptable.**
