Budget Code(s) 64201, 64210, 64211

The primary purpose of the U.S. Department of Justice and the U.S. Department of the Treasury Asset Forfeiture Program is to deter crime by depriving criminals of the profits and proceeds of their illegal activities and to weaken criminal enterprises by removing the instrumentalities of crime. An ancillary purpose of the program is to enhance cooperation among federal, state and local law enforcement agencies through the equitable sharing of Federal Forfeiture proceeds.

Any time the Division of Motor Vehicles License and Theft Bureau directly participates in an investigation or prosecution that results in a Federal Forfeiture, they may request an equitable share of the net proceeds of the forfeiture. This amount is determined as set forth in the U.S. Department of Justice and the U.S. Department of Treasury's publication "A Guide to Equitable Sharing of Federally Forfeited Property for State and Local Law Enforcement Agencies."
