If you have a disability, we'll do everything we can to help you have a comfortable journey when you ride with Greyhound. While some disabilities and needs may be obvious to our employees, others are not. You may also be served by several different representatives of Greyhound along the way. **It is important you ask for assistance at every location where you need help, including from each driver if your trip involves multiple legs with different drivers.**

If you are having trouble purchasing tickets electronically due to a disability, one of our customer service representatives will be happy to help you by phone at 1-800-752-4841 and waive the standard convenience fee after confirming your inability to book electronically is due to your disability.
