

Public Transportation Division

Strategic Plan Community Meetings

Nine community meetings were held across N.C. during the first two weeks of May. Participants ranged from elected officials to advocates and practitioners. Great ideas were generated to frame the next work efforts.

Follow the *Public Transportation Statewide Strategic Plan* at <https://www.ncdot.gov/nctransit/strategicplan/>.

April 2017 Raleigh Union Station Tour

FTA Comprehensive Review

The Federal Transit Administration and their consultants came on site the week of May 22. PTD agreed to be the grantee for our rural formula program sub-recipients 18 months ago, and the review process has taken on a more urban flavor with this decision.

The schedule was:

- Monday and Tuesday: review of our programs
- Wednesday: site visits to the four main program types (Davidson, Guilford, Goldsboro, Wayne, and Onslow counties)
- Thursday: close out meetings

Thank you Fiscal Division, Office of Civil Rights and PTD staff for your hard work and preparation for this review.
