SECTION 8 - THE NEXT STEPS

After the Division receives your application, it will review whether you are eligible for a waiver. Your eligibility is based upon the number of persons in your household, your household income, and the most recent released Federal Poverty Level Guidelines. After the Division reviews your application, it will do one of the following:

1. Determine that you are eligible for a waiver, schedule a review, and update your motor vehicle record if applicable for vehicles to be waived, and mail the notice of hearing to the address on file.

2. Determine that you need to provide the Division additional documentation to assess your eligibility for a waiver. The Division will notify you what additional information is required, and you will have 10 calendar days to comply with the Division’s request for additional documentation. If you fail to provide the documentation, your request for a waiver will be withdrawn.

3. Determine that you did not complete this form or did not otherwise provide the requested information. Therefore, request for a waiver will be immediately withdrawn.
