Board of Transportation Meeting

February 5, 2015

Call to Order

Chairman Curran called the meeting of the Board of Transportation to order at 8:31 a.m. Thursday, February 5, 2015 in Raleigh, North Carolina with the following members present:

Overholt, Blount, Tulloss, Sheehan, Crawford, Grannis, Burns, Alexander, Perkins, Palermo, Wetmore, Brown, and Kernea.

Board Members Fearing, Lennon, McQueary, and Collett were absent.

Invocation

The invocation was offered by Board Member Burns.

Ethics Statement

Chairman Curran read the Ethics Statement advising any Board Member that may have a conflict of interest or appearance of conflict to abstain from participation in that particular item and to file the proper paper work with the Secretary to the Board.

Approval – Minutes of the January 8, 2015 Board Meeting

The minutes of the January 8, 2015 Board of Transportation meeting were unanimously approved upon a motion by Board Member Brown, seconded by Board Member Overholt.

Secretary's Remarks

Secretary Tata welcomed everyone to Raleigh and noted that he hoped everyone had a chance to watch the State of the State address. During Governor McCrory's remarks, he highlighted the progress that the entire Department has made. The Secretary usually recognizes employees but today, he thanked the Board members for all their hard work in representing their division and for the leadership each member provides for the entire state and Department.

The milestones the Governor talked about, including customer service improvements at the Division of Motor Vehicles, passage and implementation of the Strategic Mobility Formula, and making the 25-Year Vision a reality, would not have been possible without the hard work of the staff and the ongoing support of the Board. The Department will continue working to make the most of every taxpayer dollar and to identify new ways to generate additional revenue for transportation while working diligently through every possible avenue to reach this goal.

The Secretary announced the Department has secured an additional \$4.1 million from the U.S. Army Corps of Engineers for dredging of the Morehead City Harbor Channel. As the Secretary shared last month, due to rapid shoaling, the harbor is currently limited to a depth of about 34 feet instead of the authorized 45 feet, which makes it extremely difficult for customers to gain access to the Port.

Secretary Tata shared good news regarding the Department's efforts to be as energy and cost-effective as possible. Last week, Duke Energy presented the Department with a check for more than \$337,000 in rebates that are a direct result of the Department's Guaranteed Energy Savings Performance Contract with Trane USA. He recognized Priscilla Williams and Brad Ellington with the Facilities Management Division for their work on this effort. Under this contract, the Department is guaranteed to save nearly \$9 million over the next 15 years. The rebates received from Duke Energy are in addition to these savings.

The Secretary recognized Chief Engineer Mike Holder and his team who have been involved in winter weather response efforts, particularly in the western part of the state. He appreciates everyone's diligent efforts to help keep the roadways safe.

Secretary Tata shared good news that Beau Memory has been named the new Executive Director of the Turnpike Authority. As you may remember, Beau worked with the Department a few years ago. Beau will assume his new position on Monday.

Secretary Tata recognized Mary Jernigan. Mary is the new Government Affairs and Policy Director. She previously worked for House Speaker Thom Tillis as a policy advisor on transportation, justice, and public safety. He welcomed both Beau and Mary to the Department.

The Secretary travelled to Washington, DC three weeks ago and participated in a panel discussion with several of his counterparts from other states at the Transportation Research Board Annual Meeting. Their discussion focused on "Funding Transportation Investments in an Uncertain Federal Fiscal Environment." He also briefed the Economic Development and Commerce Committee of the National Governors Association on the progress with the Strategic Transportation Investments Law, the Governor's 25-Year Vision, and the Draft State Transportation Improvement Program. The conversation was productive and will hopefully help foster continued collaboration to address current challenges in infrastructure investment.

Secretary Tata announced that on March 5, the Department will be celebrating its 100th anniversary. It's incredible to look back on the remarkable progress that was made in transportation and the state over the past century. The Department will be holding a special event next month commemorating our centennial.

Legislative Update

Bobby Lewis, Chief of Staff, provided a Legislative Update.

Revenue Impact

Chief Financial Officer David Tyeryar and Chief Engineer Mike Holder provided a report on the Revenue Impact.

DMV Update

Deputy Commissioner Randy Dishong provided a DMV Update.

Draft STIP – Public Comment Period Update

Susan Pullium, Strategic Planning Director, provided an update on the Draft STIP – Public Comment Period.

Approval of Projects

A motion was made by Board Member Palermo, seconded by Board Member Perkins, to approve all the projects, excluding items C, D, E, H and L, as they are delegated authority items and require no Board action.

Board Member Sheehan abstained from voting on certain projects.

Delegated Authority Items

Approval – Award of Highway Construction Contracts in the January 20, 2015 Letting

Projects were awarded by the Secretary to the low bidder on all projects.

Corrections:

Division 5 – Durham County, The Durham County Commissioners request renaming Strategic Drive to Global Montessori Lane.

Division 5 – Wake County, Petition 50667 was listed as Ethan’s Ridge Subdivision. It should be King’s Ridge Subdivision. It also added Twin Lakes Drive for 0.09 miles. The correct road name added should be Amber Dawn Lane.

Division 8 – Hoke County, SR 1785-Lockwood Drive should be Lochwood Drive.

Division 13 – Burke County, Petition 50225, Bentley Drive was added for 0.09 miles. The correct mileage should be 0.05 miles.

Approval – Municipal and Special Agreements

A motion was made by Board Member Palermo, seconded by Board Member Perkins, to approve the following agreements:

SUMMARY: There are a total of 19 Agreements for approval by the Board of Transportation.

Division 1

City of Elizabeth City
Pasquotank and Camden
Counties
EB-4991
41829.3.F1

This Project consists of the construction of a greenway in downtown Elizabeth City. This Supplemental Agreement is to include additional funding available for the Project and extend the completion date. The Department shall reimburse eighty percent (80%) of eligible costs up to \$512,755 in High Priority funding and the Municipality shall provide a twenty percent (20%) local match and all costs that exceed the total estimated cost. The Supplemental Agreement also extends the completion date of the Project to June 30, 2016 in lieu of December 31, 2012.

Division 3

Vertex Rail Technologies, LLC
New Hanover County

This Rail Agreement is for approval of State Freight Rail & Rail Crossing Safety Improvement (FRRCSI) and State Economic Development funds for Vertex Rail Technologies, LLC. The specific Project assisted by these funds includes a new at-grade crossing of River Road and an industrial spur to serve the company's new Wilmington facility. The Department shall participate in the cost of the River Road improvements, including crossing signals and surfaces, in the amount of \$305,000 from Economic Development funds. In addition, the Department shall participate to the extent of 45% or up to \$200,000, whichever is less, of the total estimated cost of the spur construction from FRRCSI funds.

City of Jacksonville
Onslow County
ER-2973C
3703.3.28

This Project consists of landscaping on US 17 at Old Bridge Street and Johnson Boulevard in Jacksonville. This Supplemental Agreement requires the Municipality to provide an additional \$25,000 to the Department to cover estimated overruns and traffic control costs. The Department is responsible for all phases of the Project. The Municipality will be responsible for maintenance following the end of the warranty period.

City of Wilmington
New Hanover County
44342

This Project consists of the installation of a multi-use path along SR 1492 (Masonboro Loop Road) from Anderson Reach Loop Road to the entrance of Parsley Elementary School. The Municipality is responsible for all phases of the Project. The Department shall participate in the actual

Project costs up to a maximum amount of \$152,000. Costs which exceed this amount shall be borne by the Municipality.

Division 4 & 5

Carolina Coastal Railway, Inc.
(CLNA)
Wilson, Nash, & Wake Counties

This Rail Agreement is for approval of State Freight Rail & Rail Crossing Safety Improvement (FRRCSI) funds for expenses incurred by the CLNA for improvements to Barbee Road (NS 210.1) in Zebulon, Carrie Road (NS 174.3) in Stantonsburg, and Stokes Road (NS 202.3) in Middlesex. The Project includes replacing the existing crossing surfaces with rubber rail seal and new asphalt. The Department shall be responsible for all costs incurred by the CLNA. The estimated cost is \$45,000.

Division 5

Town of Fuquay Varina
Wake County

This Agreement provides for the serving of food and beverages on property within or adjacent to State right of way under legislation enacted by the North Carolina General Assembly. Approval - Preliminary Right of Way Plans

A motion was made by Board Member Palermo, seconded by Board Member Perkins, to approve the following:

The Preliminary Right of Way Plans for the below projects, including Secondary Roads and Industrial Access Roads, provide for the construction, design, drainage and control of

access as shown on the respective plans.

Based upon the recommendations of the Manager of the Right of Way Unit, the Board finds that such rights of way as shown on these preliminary plans and drawings, including existing public dedicated right of way, are for a public use and are necessary for the construction of said projects.

The rights of way for the location, construction, relocation, and control of access of highways embraced in the below projects shall be as shown in detail on the preliminary right of ways plans and drawings for said projects on file in the Right of Way Branch in the Department of Transportation in Raleigh.

The Board finds such right of way acquisition to be necessary and hereby authorizes the Right of Way Branch to acquire right of way on the below projects either by negotiation or by condemnation through the Attorney General's Office.

Approval - Revisions of the Final Right of Way Plans

A motion was made by Board Member Palermo, seconded by Board Member Perkins, to approve the following:

Right of way acquisition in accordance with the final right of way plans for the following projects has been determined to be necessary and authorized by the Board. Plans are on file at the Office of the Secretary to the Board of Transportation as an addendum to the minutes of the meetings hereinafter indicated.

Certain changes in right of way, construction and drainage easements, and control of access have been necessitated by alterations in the construction plans of these projects. Amended plan

sheets for these projects have been prepared which provide for changes of certain right of way areas, construction and drainage easements and control of access.

The Board finds that the revised areas of right of way, construction and drainage easements and control of access, as shown on the amended plan sheets hereinafter set out, are for a public purpose and are necessary for the construction of projects.

The right of way, construction and drainage easements and control of access are hereby revised as shown on the plan sheets incorporated herein as an addendum, said projects, date of original final approval, and revised right of way, easements and access being as follows:

(Division 05)

Approval – Advance Acquisition of Highway Right of Way

Upon recommendation of the Manager of the Right of Way Unit, and on a motion by Board Member Palermo, seconded by Board Member Perkins, the Board authorized the acquisition of the following properties through negotiation or condemnation for purposes of highway construction in order to prevent undue hardship on property owners or to protect the right of way corridor from development prior to regular project approval. The Board finds such acquisitions to be necessary,

and hereby authorizes the Right of Way Branch to acquire said properties either by negotiation or by condemnation through the Office of the Attorney General.

Approval – Incident Management Assistance Patrol Program Sponsorship

A motion was made by Board Member Palermo, seconded by Board Member Perkins, to approve the following:

The Department competitively solicited and received a compliant Technical Proposal and Revenue Proposal to provide for a sponsorship program for the Incident Management Assistance Patrol Program.

Travelers Marketing submitted a Revenue Proposal of \$2,000,000.00 payable to the Department in equal increments over a four-year period. This sponsorship revenue will partially offset the cost of maintaining the Incident Management Assistance Patrol operations.

After careful evaluation, Staff recommends approval of this Revenue Proposal by the Board of Transportation under the authority granted to the Board of Transportation through NCGS 143B-350(f)(12a).
