

**NOTICE OF A CITIZENS INFORMATIONAL WORKSHOP FOR THE
PROPOSED REPLACEMENT OF BRIDGE NUMBER 33
OVER THE NORTH RIVER ON US 70**

TIP Project No. B-4722B

WBS NO. 38496.1.1

Carteret County

The North Carolina Department of Transportation (NCDOT) will hold the above Citizens Informational Workshop on **June 23, 2011**, between the hours of 4:30 pm and 6:30pm at East Carteret High School Cafeteria, 3263 Highway 70 East, Beaufort, 28516.

The purpose of this workshop is for NCDOT representatives to provide information, answer questions, and accept written comments regarding this project. Maps denoting the proposed project area will be displayed. The workshop provides the public an opportunity to participate in the planning process. Comments and information received from the public will be taken into consideration as work on this project progresses. Citizens may drop in anytime during the workshop hours. Please note: there will be not be a formal presentation.

This project proposes to replace Bridge Number 33 on US 70 Business near Beaufort with a new structure immediately to the north of the existing structure. The proposed bridge will have two lanes of traffic, one travel lane in each direction. It will also accommodate bicycle traffic with 4-foot bicycle lanes on each side. The height of the bridge will be mostly unchanged. Traffic will be maintained on the existing structure during construction.

Anyone desiring additional information may contact Mr. Tracy Walter, Project Development and Environmental Analysis, Bridge Unit, 1548 Mail Service Center, Raleigh, NC 27699-1548, phone (919) 707-6177, fax (919) 250-4224 or email: twalter@ncdot.gov.

NCDOT will provide auxiliary aids and services under the Americans with Disabilities Act for disabled persons who wish to participate in this workshop. Anyone requiring special services should contact Mr. Walter as early as possible so that arrangements can be made.
