

NOTICE OF COMBINED PUBLIC HEARING FOR THE PROPOSED WIDENING OF ALL AMERICAN
FREEWAY (STATE ROAD 1007) FROM OWEN DRIVE (S.R. 1151) TO THE PROPOSED
FAYETTEVILLE OUTER LOOP

TIP Project No. U-4414

Cumberland County

The North Carolina Department of Transportation (NCDOT) will hold an informal Combined Public Hearing between the hours of 4 p.m. and 7 p.m. on Monday, June 25, 2012, at the Westover Recreation Center, located at 267 Bonanza Drive in Fayetteville.

NCDOT representatives will be available to answer questions and receive comments regarding the proposed project. The opportunity to submit written comments and questions will be provided. Interested citizens may attend at any time during the above hours. There will not be a formal presentation.

NCDOT proposes to widen existing All American Freeway (State Road) by one additional lane in each direction. The 4.8-mile project begins at Owen Drive (S.R. 1151) and ends at the proposed Fayetteville Outer Loop. The improvements will bring the total number of lanes from four (4) to six (6).

The purpose of the project is to improve vehicle capacity and relieve congestion along the project corridor. Additional right-of-way acquisition and the relocation of homes and businesses will be required to construct the project.

A map displaying the location of the projects and a copy of the Environmental Assessment are available for public review at the NCDOT Division 6 Office, 558 Gillespie St. in Fayetteville; and the Fayetteville Area Metropolitan Planning Organization Office, located on the second floor of the old courthouse building at 130 Gillespie St. The maps are also available online at: www.fampo.org.

Anyone desiring additional information may contact Jamille Robbins of the NCDOT Human Environment Section at 1598 Mail Service Center, Raleigh, NC 27699-1598, by phone at (919) 707-6085, or via email at jarobbins@ncdot.gov. Additional comments may be submitted until July 10, 2012.

NCDOT will provide auxiliary aids and services under the Americans with Disabilities Act for disabled persons who want to participate in this hearing. Anyone requiring special services should contact Robbins as early as possible so that arrangements can be made.
