

NOTICE OF A CITIZENS' INFORMATIONAL WORKSHOP FOR IMPROVING
SAFETY AND TRAFFIC FLOW AT THE INTERSECTION OF U.S. 74
AND MURDOCK STREET (STATE ROAD 1251) / CHURCH STREET (STATE
ROAD 1312) IN LAUREL HILL

WBS #: 43308.1.1

Scotland County

The North Carolina Department of Transportation (NCDOT) will hold the above Citizens' Informational Workshop on Thursday, October 13, 2011, between the hours of 4-7 p.m. at the Laurel Hill Community Center, located at 14940 Church Street in Laurel Hill.

The purpose of this public meeting is for NCDOT representatives to display maps, provide information and answer questions about the project. The opportunity to submit written comments also will be provided and is encouraged. There will not be a formal presentation.

NCDOT proposes to make the following safety improvements at the intersection of U.S. 74 and Murdock Street/Church Street in Laurel Hill:

- 1) Construct a directional-crossover (right-turns for traffic coming out of Murdock and Church streets onto U.S. 74; and left turns from both directions of U.S. 74 onto Murdock and Church Street); and
- 2) Provide a directional U-turn 1,000 feet east of the existing intersection.

The proposed improvements will improve safety and traffic flow at the intersection.

For more information regarding the proposed project, please contact NCDOT Regional Traffic Engineer Kelly Becker at (919) 773-2890 or via email at kbecker@ncdot.gov.

NCDOT will provide auxiliary aids and services under the Americans with Disabilities Act for disabled persons who want to participate in this meeting. Anyone requiring special services should contact Ms. Becker as early as possible so that arrangements can be made.
