

**NOTICE OF A CITIZENS INFORMATIONAL WORKSHOP FOR THE
PROPOSED REPLACEMENT OF BRIDGE NUMBER 27
OVER ROCKY CREEK ON HIGHWAY US 64**

TIP Project No. B-5010

WBS NO. 41536.1.1

Transylvania County

The North Carolina Department of Transportation (NCDOT) will hold the above Citizens Informational Workshop on **July 12, 2011**, between the hours of 5:30 pm and 7:30 pm at Sapphire-Whitewater Community Center, 13 Walter McNeely Road, Sapphire, 28774.

The purpose of this workshop is for NCDOT representatives to provide information, answer questions, and accept written comments regarding this project. Maps denoting the proposed project area will be displayed. The workshop provides the public an opportunity to participate in the planning process. Comments and information received from the public will be taken into consideration as work on this project progresses. Citizens may drop in anytime during the workshop hours. Please note: there will not be a formal presentation.

This project proposes to replace Bridge Number 27 on US 64 near Sapphire Lakes Country Club with a culvert. The proposed culvert will have two lanes of traffic, one travel lane in each direction. During construction, traffic will be maintained on a temporary structure southwest of the existing structure. Due to the environmentally sensitive area, NCDOT will plan accordingly.

Anyone desiring additional information may contact Mr. Tracy Walter, Project Development and Environmental Analysis, Bridge Unit, 1548 Mail Service Center, Raleigh, NC 27699-1548, phone (919) 707-6177, fax (919) 250-4224 or email: twalter@ncdot.gov.

NCDOT will provide auxiliary aids and services under the Americans with Disabilities Act for disabled persons who wish to participate in this workshop. Anyone requiring special services should contact Mr. Walter as early as possible so that arrangements can be made.
