

PUBLIC HEARING TO BE HELD JUNE 2 IN FUQUAY-VARINA FOR THE
PROPOSED EXTENSION OF NW JUDD PARKWAY

TIP Project No. U-5317

The Town of Fuquay-Varina, in coordination with the North Carolina Department of Transportation (NCDOT), proposes to extend Judd parkway to complete the loop around Fuquay-Varina in Wake County. The project begins at the intersection of NC 42 (W Academy Street) with Southwest Judd Parkway and ends at the intersection of NC 55 (Broad Street) with Wilbon Road/Northeast Judd Parkway.

The purpose of the project is to improve roadway connections in the Fuquay-Varina area. The proposed NW Judd Parkway will connect NC 55 to the north with NC 42 to the southwest. It will also connect to the existing NE Judd Parkway, a two-lane road which then connects to US 401, NC 42, and NC 55.

Of the seven alternatives originally considered, detailed designs have been prepared for the three alternatives with the fewest impacts. These alternatives were previously presented to the public at a November 2013 open house. The designs have been refined, and maps of the three alternatives will be on display at the public hearing. A final preferred alternative will be selected following this public hearing.

Project team members will be available to answer questions and receive comments during the hearing.

The hearing will take place on Tuesday, June 2 at the Fuquay-Varina Town Hall located at 401 Old Honeycutt Road in Fuquay-Varina. The meeting will be open house-style from 4:30 to 7 p.m. There will not be a formal presentation. Interested citizens may attend any time during the above hours. The opportunity to submit written comments and ask questions will be provided throughout the meeting. Please submit comments by June 30, 2015.

Maps of the three alternatives are on the NCDOT project meeting website (<http://www.ncdot.gov/projects/publicmeetings>). Design maps also are available for public review at the following locations:

- NCDOT District Office, 4009 District Drive, Raleigh
- Fuquay-Varina Town Hall, 401 Old Honeycutt Road, Fuquay-Varina

For additional information, contact Tracy Stephenson, Fuquay-Varina Town Engineer, at 401 Old Honeycutt Road, Fuquay-Varina, NC, 27526, by phone at (919) 753-1039, or via email at tstephenson@fuquay-varina.org.

NCDOT will provide auxiliary aids and services under the Americans with Disabilities Act for disabled persons who wish to participate in this meeting. Anyone requiring special services should contact Mr. Stephenson as early as possible so that arrangements can be made. Persons who speak Spanish and do not speak English, or have limited ability to read, speak or understand English, may receive interpretive services upon request prior to the meeting by calling 1-800-481-6494.
