

Project Update

Project Update Meeting
Tuesday, September 11th
4:00pm-7:00pm

Aycock Recreation Center
307 Carey Chapel Road
Henderson, NC 27537

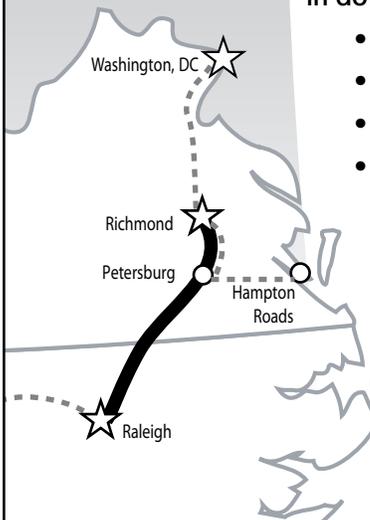

The public is invited to attend a Project Update Meeting for the Southeast High Speed Rail Project.

In the summer of 2010, the North Carolina Department of Transportation Rail Division (NCDOT) and the Virginia Department of Rail and Public Transportation (DRPT) held a series of Public Hearings on a Draft Tier II Environmental Impact Statement (DEIS) for the Richmond, VA, to Raleigh, NC, portion of the SEHSR corridor. The SEHSR project proposes to implement approximately 162 miles of high speed rail as part of an overall plan to extend high speed passenger rail service from the Northeast Corridor (Boston, MA, to Washington, DC) southward through Virginia to Charlotte, NC.

In response to public comments on the DEIS, revisions were made to proposed bridges and underpasses, rail crossing closures and other roadwork throughout the corridor, including modifications at the following locations in downtown Henderson:

- Andrews Avenue
- Nicholas Street
- Belmont Drive
- New roundabout at Beckford Drive, Garnett Street, and Main Street

To learn more, stop by the open house meeting anytime between 4:00 p.m. and 7:00 p.m.

NCDOT ensures nondiscrimination in all programs, services and activities in accordance with Title VI of the Civil Rights Act of 1964. Call 1-877-749-7245 or TDD 711 at least 48 hours in advance of the meeting date for special assistance or information.

We need your input to help plan for future transportation needs in our region.
