

NOTICE OF A CITIZENS INFORMATIONAL WORKSHOP FOR THE
PROPOSED IMPROVEMENTS TO MORRISVILLE CARPENTER ROAD (STATE
ROAD 3014) FROM WEST OF DAVIS DRIVE (S.R. 1616) TO EAST OF OLD
SAVANNAH DRIVE IN MORRISVILLE

TIP Project No. U-5503

Wake County

The North Carolina Department of Transportation (NCDOT) will hold a citizens' informational workshop for the above project on Monday, May 21, 2012 from 4-7 p.m. at the Morrisville Town Hall - Council Chambers, located at 100 Town Hall Drive.

NCDOT proposes to widen the section of Morrisville Carpenter Road from Gratiot Drive to Leafy Creek Drive to five lanes, with a curb and gutter, as well as install sidewalks. Intersection improvements at Morrisville Carpenter Road and Davis Drive are proposed, and two pedestrian crossings also proposed along Morrisville Carpenter Road.

The purpose of this project is to improve traffic capacity, as well as provide continuous additional lanes to fill in the existing gap between Davis Drive and Old Savannah Drive.

Residents are invited to speak individually with NCDOT officials and to review the project area map any time during the above hours. Aerial maps showing the project area will be displayed at the workshop. The opportunity to submit written comments or questions also will be provided. Comments and suggestions received will be considered during the design phase. There will not be a formal presentation.

Anyone desiring additional information may contact Ahmad Al-Sharawneh of the NCDOT Project Development and Environmental Analysis Branch at 1548 Mail Service Center, Raleigh, NC 27699-1548, by phone at (919) 707-6010 or via email at aalsharawneh@ncdot.gov.

NCDOT will provide auxiliary aids and services under the Americans with Disabilities Act for disabled persons who want to participate in this workshop. Anyone requiring special services should contact Al-Sharawneh as early as possible so that arrangements can be made.
