

**NOTICE OF A CITIZENS' INFORMATIONAL WORKSHOP  
FOR PROPOSED TRANSPORTATION IMPROVEMENTS TO U.S. 158  
FROM EAST OF N.C. 34 IN BELCROSS TO N.C. 168 IN BARCO**

TIP Project R-2574

WBS No. 38802.1.1 Camden & Currituck Counties

The North Carolina Department of Transportation (NCDOT) will hold the above citizens' informational workshop on January 23, 2012 from 4 to 7 p.m. at Central Elementary School in Currituck County, located at 504 Shortcut Road in, Barco.

The purpose of this meeting is to provide information regarding the proposed project and to obtain public input. Interested citizens may drop by any time during the meeting to view the project maps and discuss the project. NCDOT representatives will be available in an informal setting to answer questions and receive comments regarding the proposed project. The opportunity to submit written comments or questions will be provided and is encouraged. There will not be a formal presentation.

This project proposes to improve U.S. 158 from east of N.C. 34 in Belcross to N.C. 168 in Barco. U.S. 158 will be widened to four lanes with a 46-foot median. The new lanes will be added to either the north or south side of the existing road. The project will require additional right of way may involve the relocation of homes and businesses. No designs have been prepared yet for the project, only general information will be available at this workshop. Comments received from the public will be used in the preparation of project designs.
