For Public Meetings on the I-85 Rehabilitation Project

The North Carolina Department of Transportation (NCDOT) will be holding two informal public meetings regarding the proposed improvements to I-85 from U.S. 158 in Vance County to the Virginia state line.

The purpose of the project is to address the deteriorating pavement conditions and improve operations and safety through rehabilitation and/or reconstruction. The project will also improve vertical clearance of the bridges.

Mark Your Calendar

February 10, 2015

**H Leslie Perry Library
205 Breckenridge St.
Henderson, NC
5:00-7:00 p.m.**

February 12, 2015

**Norlina Fire Department
Annex Building
102 Center St.
Norlina, NC
5:00-7:00 p.m.**

During these open house meetings, NCDOT representatives will provide project information regarding phased lane closures, ramp closures, detours and overall construction sequence and address project related questions. Participants will have the opportunity to submit written comments or mail comments by February 26, 2015 to the address below. **Please note that there will not be a formal presentation.** To review the project maps, visit <http://www.ncdot.gov/projects/publicmeetings/>.

For additional information, or for individuals requiring special services at the public meetings, contact Anamika Laad, NCDOT Senior Public Involvement Officer, by phone, by fax or by email found below.

NCDOT will provide interpretive services upon request for persons who do not speak English, or have limited availability to read, speak or understand English. Kindly request it prior to the meeting by calling 1.800.481.6494.
