

NOTICE OF PUBLIC HEARINGS
FOR THE INTERSTATE 95 (I-95) CORRIDOR
PLANNING AND FINANCE STUDY

The North Carolina Department of Transportation (NCDOT) will hold a series of seven (7) Public Hearings for the above-mentioned highway project. They will be held in several facilities near the I-95 corridor, throughout the state of North Carolina, beginning at 4:00pm and ending at 7:00pm. They will be held as follows:

- Tuesday, February 7, 2012: Robeson Community College (BB&T Room of the Workforce Development Center Building #18), 5160 N. Fayetteville Road, Lumberton, 28360
- Monday, February 13, 2012: Halifax Community College (The Centre-Gallery), 200 College Drive, Weldon, 27890
- Thursday, February 16, 2012: City of Rocky Mount, The Imperial Centre (Studio Theatre), 270 Gay Street, Rocky Mount, 27804
- Monday, February 20, 2012: Johnston Community College (Tart Building/Paul A. Johnston Auditorium Lobby), 245 College Road, Smithfield, 27577
- Tuesday, February 21, 2012: Bill Ellis Convention Center, 2904 Forest Hills Road, Wilson, 27893
- Thursday, February 23, 2012: Dunn Community Center, 205 Jackson Road, Dunn, 28334
- Monday, February 27, 2012: Double Tree by Hilton, Hotel–Fayetteville (Grand Ballroom), 1965 Cedar Creek Road, Fayetteville, 2831

Interstate 95 is a vital stretch of highway through North Carolina serving commuters, accommodating vacationers and connecting area residents. The road has distinctive meaning to each and every user, as well as to the adjacent communities. The NCDOT is working to determine how best to renew I-95 through our state.

The purpose of these Public Hearings is to provide information regarding the proposed project and to obtain public input. The I-95 Corridor Planning and Finance Study proposes to provide the ideal approach for improved safety, connectivity and efficiency along the I-95 corridor.

Interested citizens may drop by anytime between the hours of 4:00pm and 7:00pm and view project information, maps and the approved Environmental Assessment on display. NCDOT representatives will be available in an informal setting to answer questions and receive comments relative to the proposed project. The opportunity to submit written comments or questions will also be provided.

For locations where the Environmental Assessment document is available for review, call 1-877-I95-VIEW or visit www.driving95.com.
