TIP Project No. W-5518

The North Carolina Department of Transportation (NCDOT) will hold an informal public meeting regarding the proposed construction of an overpass on Old U.S. 74 at the intersection of U.S. 74 and Old U.S. 74 (S.R. 1547).

The meeting will take place on January 15 from 5 until 7 p.m. at the Chadbourn Town Office – Council Chambers, 602 N. Brown Street, Chadbourn.

NCDOT proposes to build an overpass due to traffic crashes that have occurred in the recent past. The purpose of the project is to make the routes safer and more effective in handling the traffic.

The purpose of this meeting is for NCDOT representatives to provide information and answer questions regarding this project. The opportunity to submit written comments will also be provided at the meeting or by January 29. Interested citizens may attend at any time during the above mentioned hours. Note: There will be no formal presentation.
