

**PROPOSED RAIL CROSSING CLOSURE ON
HENDERSON GROVE CHURCH ROAD (S.R. 1526) IN SALISBURY,
ROWAN COUNTY**

TIP Project No. Y-5500IA

The N.C. Department of Transportation will hold an informal public meeting regarding a proposed railway crossing closure on Henderson Grove Church Road (SR 1526) in Salisbury.

The meeting will take place on January 22 from 5 until 7 p.m. at the City Park Recreation Center at 316 Lake Drive in Salisbury.

The purpose of the meeting is to inform the public about the proposed railway crossing closure on Henderson Grove Church Road (SR 1526) due to low traffic volume and an expected increase in future rail traffic. The proposed closing of this crossing is part of an effort to reduce the number of redundant and/or unsafe rail-highway at-grade crossings nationwide.

Citizens may stop by at their convenience; there will not be a formal presentation. NCDOT representatives will be available to answer questions and receive comments. Written comments or questions can also be submitted at the meeting or later by February 5th.
