

NORTH CAROLINA

Department of Transportation

North Carolina Statewide Transportation Plan NC Moves 2050

Stakeholder Kickoff October 2018

Welcome

A strategic transportation plan connecting communities across North Carolina, focused on creating a more responsive, diverse, and inclusive transportation system for keeping people and freight moving safely and efficiently.

NC MOVES 2050

CONNECTING YOUR COMMUNITY,
YOUR VOICE AND YOUR FUTURE

Agenda

- Introductions
- Importance of Statewide Planning
- NC Moves 2050 Overview
 - Our Challenging Future
 - Planning for Our Future in a Meaningful Way
 - Engaging Our Partners and the Public

Importance of Statewide Planning

THE FUTURE IS HARD TO PREDICT

WHY THINK AHEAD?

NC in 1990

- **6.64** million residents
- **\$26,329** HH income
- **5.6 million** vehicles
- **62.7 million** miles traveled
- First web server developed
- Ghost tops box office
- NCSU beats UNC
- No NFL or NHL team
- NC launched 1st Statewide Plan (1995)

NC in 2018

- **10.4** million residents
- **\$50,343 HH income (2017)**
- **9.4 million** vehicles
- **116.7 million** miles traveled
- **77%** have smartphones
- Black Panther leads box office
- NCSU predicted to beat UNC
- 2 Super Bowl appearances & 1 Stanley Cup
- NCDOT looks ahead to 2050

Overview

NC Moves 2050 Overview

Where Are We Now?

- Partnership opportunities

- Historic trends
- Current practice

Where Could We Go?

- Indicators, signs of change

- Plausible alternative futures

How Could We Prepare?

- Impacts and ideas
- Indicators to watch

- Test ideas
- Robust strategies

What's Our Path Forward?

- Goal
- Policies
- Strategies
- Investments

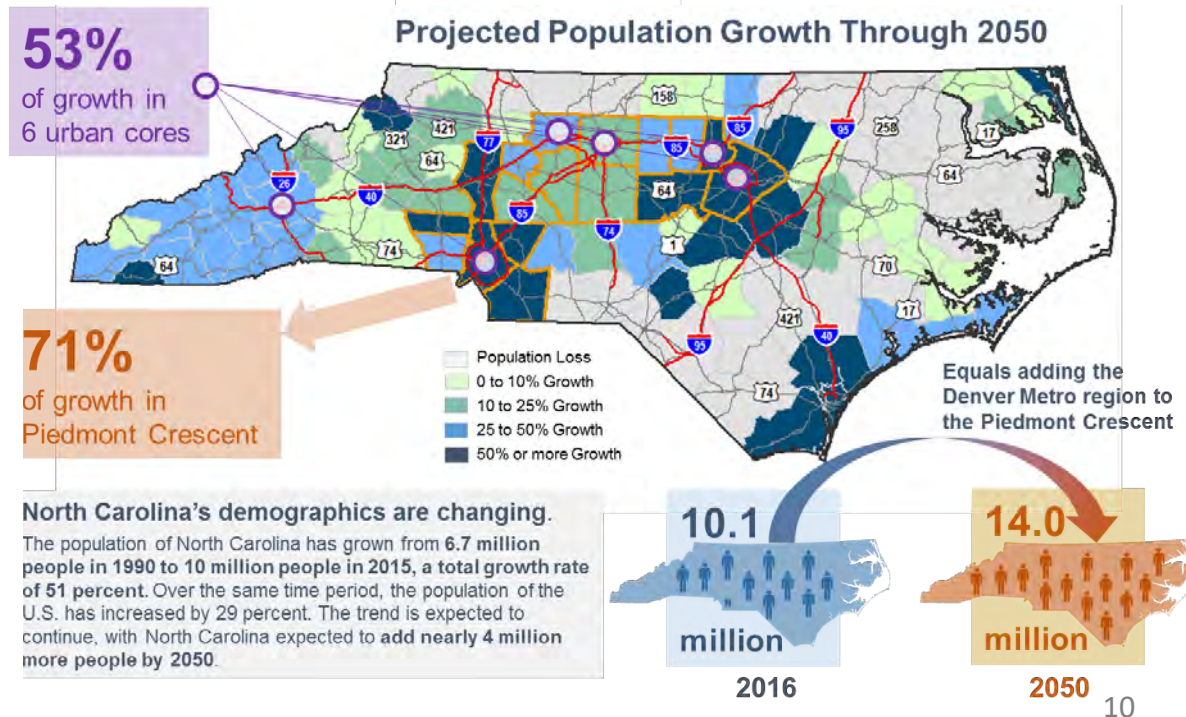

NC MOVES 2050

CONNECTING YOUR COMMUNITY,
YOUR VOICE AND YOUR FUTURE

Where Are We Now?

Highlight the role of transportation in supporting NC's economy and quality of life and capitalize on findings from recent statewide planning

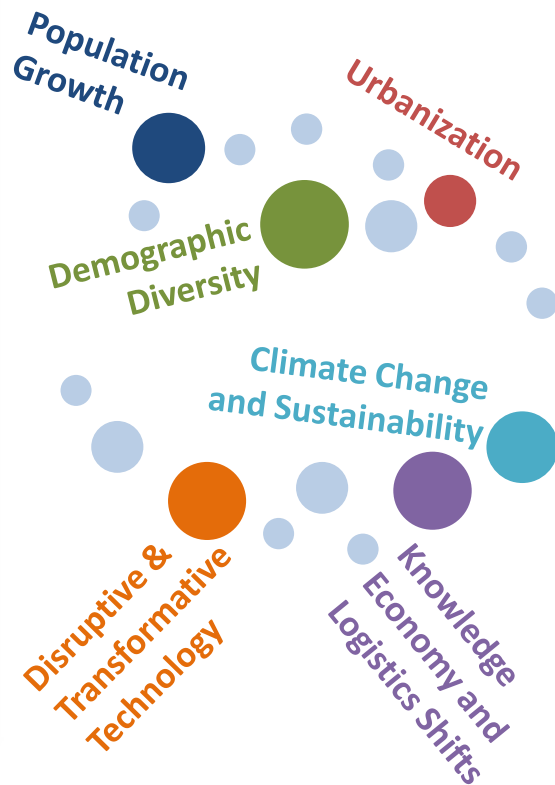

Create an informed and diverse groundwork of research and data to inform real alternative futures

Where Could We Go?

Build context sensitive regional futures reflecting unique economic, demographic, environmental, and transportation realities and visions

Drivers & Opportunities

Alternative Futures

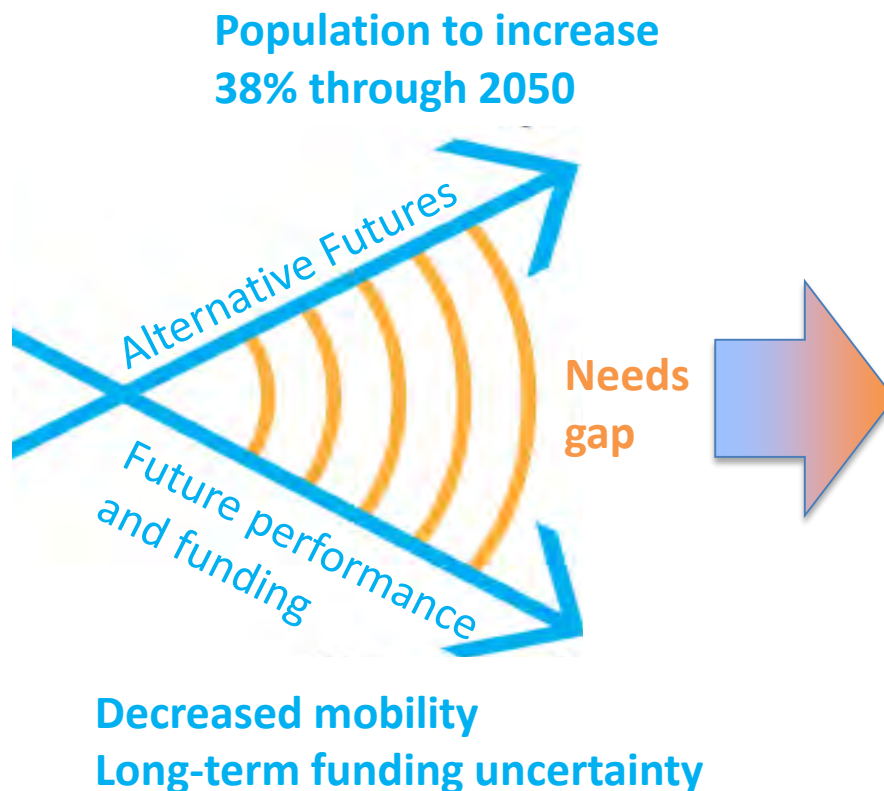

Unique by region based on drivers and regional goals

How Could We Prepare?

Align future needs and opportunities against potential funding to determine performance outcomes

Create a short and long-term plan of scenarios and strategies that consider trade-offs and resources

	Near-Term Action	Deferred Action
Low Risk	Mitigation strategies that will be generally beneficial however the future unfolds (robust)	Mitigation strategies with modest lead time for less certain impacts (adaptive)
Higher Risk	Mitigation strategies with longer lead time for less certain impacts (hedging) Strategies to promote desired outcomes (shaping)	

What's Our Path Forward?

- Strategies resilient to alternative futures
- Capitalize on new opportunities
- Create a “family of plans”
- Identify plan “champions”
- Link and support programming and performance

Engaging Our Partners and the Public

Internal Focus

Board of Transportation

EDIR Committee

Adoption and
Implementation

Executive Management

Leadership and
Direction

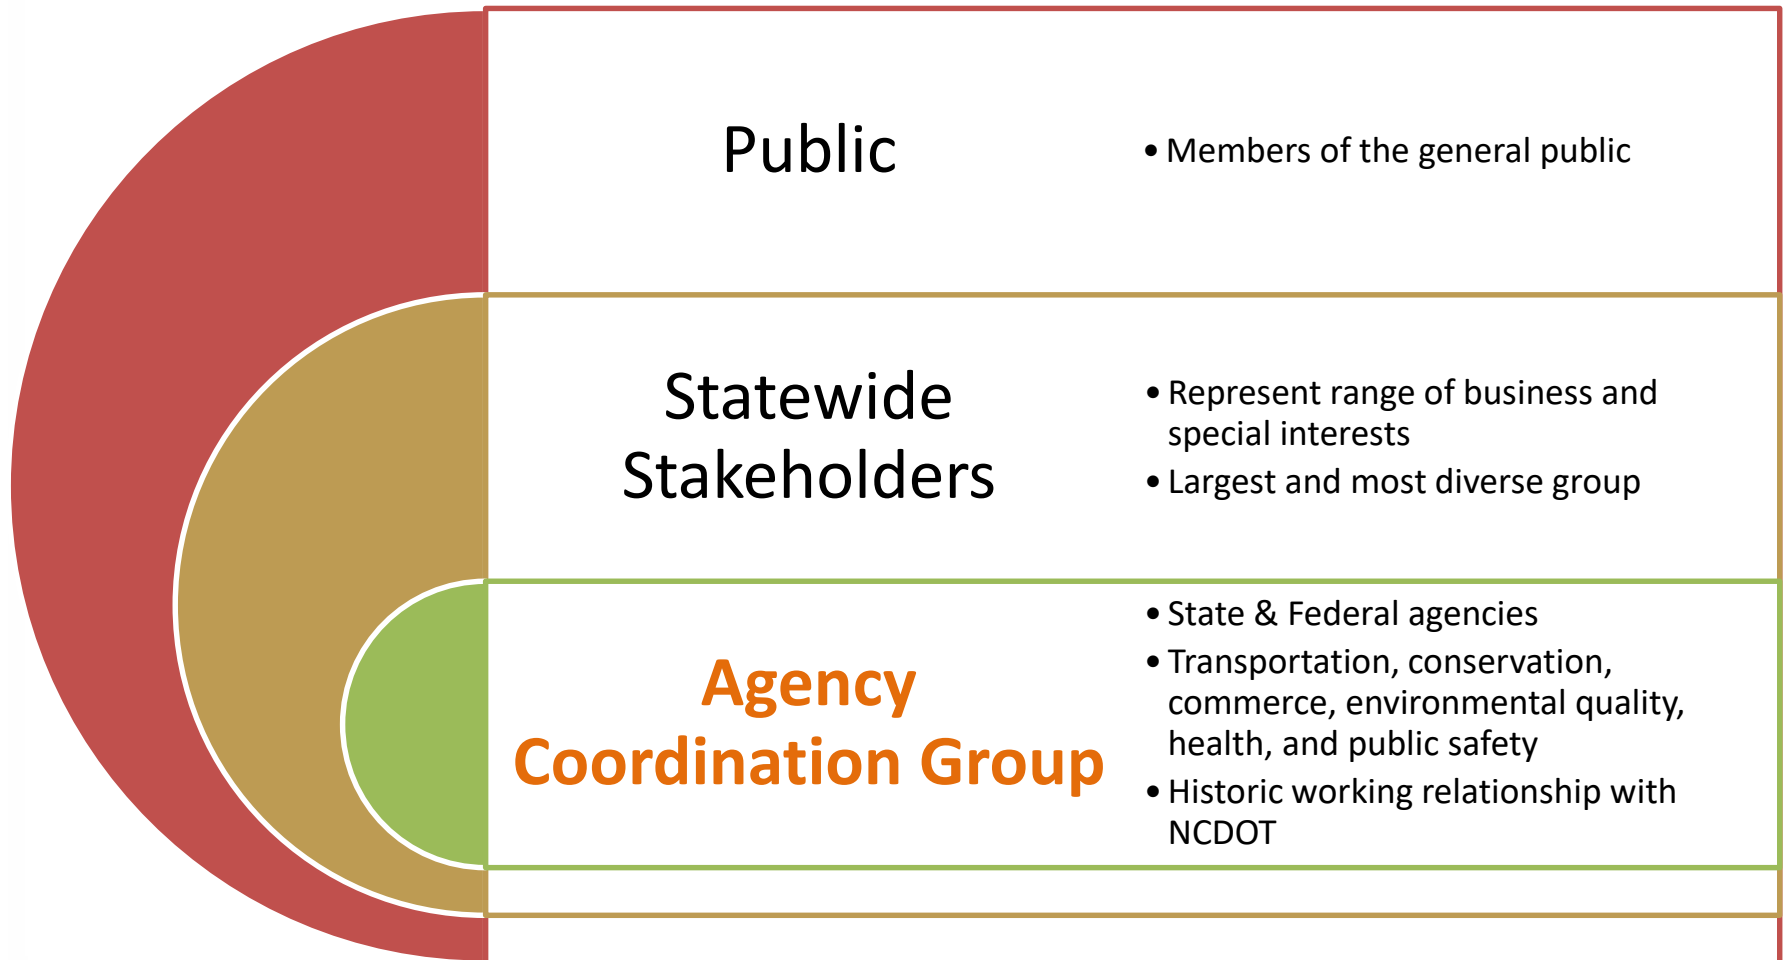

Working Group

FHWA

Engaging Our Partners and the Public

External Focus

Why Stakeholders?

- Broaden the focus of the plan and assure that it serves a wider range of interests
- Operationalize the values of
 - Transparency
 - Accountability
 - Fairness
 - Responsibility
- Develop Champions

Exploring Perspectives

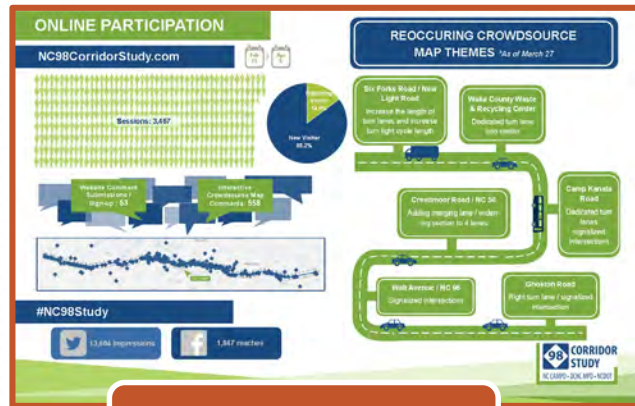

- What are your regulatory, financial, and/or emotional interests in transportation?
- What information about transportation is most interesting to you?
- How would you best want to receive that information?

Your Role in the Process

- Participate in workshops and other NC Moves 2050 activities
- Promote plan activities
 - surveys, website, crowdsourcing map, videos, and tabling events
- Provide timely feedback
- Be a liaison and a champion
- Broaden the focus of the plan by contributing your unique insight and perspective

NC Moves 2050 Public Engagement

Visual Materials

Build Support & Momentum

Active & Convenient Participation

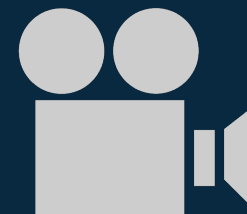

Outcome rather than output

High-Reach Engagement

Educational Videos

- Share electronically
- Consistent messaging in a visual and auditory manor

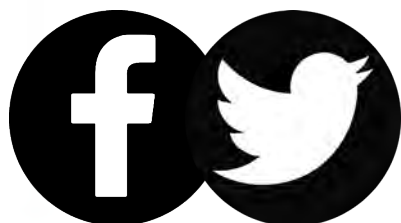

Crowdsource Map

- Submit comments and photos electronically
- Public interaction

Electronic Survey

- Public Input
- MetroQuest

#NC2050Moves

- NCDOT Facebook and Twitter accounts

Low-Tech Engagement

Civic Dinners

- Millennials
- Spanish-speaking residents

Event Tabling

- Go to where people are gathering

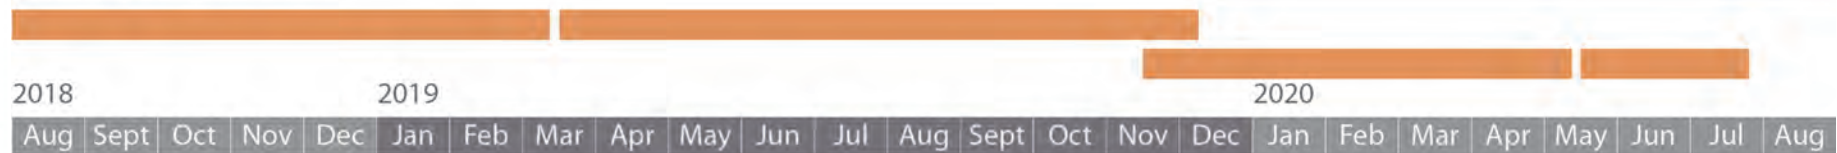

A woman with dark hair, smiling, is holding a sign. The sign has handwritten text in black ink. The background of the sign is white. The woman is wearing a dark top. The background behind her is a light blue wall with some greenery.

How #NC Moves 2050
is important because...

I want to minimize the amount
of time my family and I spend on
the roads!

☺

QUESTIONS & BREAK

NCMoves
2050

Visioning and Interactive Survey

Visioning and Interactive Survey

- Visioning exercise
 - Designed to capture your thoughts for shaping the vision and future of transportation in North Carolina.
 - Report out on responses at end of each question
- Interactive polling
 - Real time responses
 - Conversation around those responses.
- Your input will help:
 - Shape NC2050 Plan Vision and Goals
 - Identify Key Issues and Questions

Visioning

Imagine that today is 2050 instead of 2018. The NC Moves 2050 Plan has been implemented and it has been a huge success. Use your unique perspective and desires for the plan to answer the following questions on the post-it notes provided.

Visioning

Yellow Post-it Note

1. What are we celebrating?

Visioning

Blue Post-it Note

2. How have the citizens of North Carolina benefited from implementation of the NC Moves 2050 Plan?

Visioning

Pink Post-it Note

3. What was key about how we implemented the plan?
