Providing any service, financial aid, or other benefit to a person which is distinct in quantity or quality, or is provided in a different manner, from that provided to others under the program;
Subjecting a person to segregation or separate treatment in any part of a program;
Restrictions in the enjoyment of any advantages, privileges, or other benefits enjoyed by others;
Methods of Administration which, directly or through contractual relationships, would defeat or substantially impair the accomplishment of effective nondiscrimination;
Different standards, criteria, or other requirements for admission, enrollment, or participation in planning, advisory, contractual or other integral activities;
Acts of intimidation or retaliation, including threatening, coercing, or discriminating against any individual for the purpose of interfering with any right or privilege secured by any pertinent nondiscrimination law, or because s/he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing;
Discrimination in any employment resulting from a program, a primary objective of which is to provide employment.
