

Triangle J Council of Governments (TJCOG) Application Package and Information

APPLICATION CONTENTS: A submitted application package must include a cover letter on letterhead signed by Executive Director, Triangle J Council of Governments.

Note: TJCOG will need to determine VMT reductions from each funded program to calculate success in meeting the 2014 goal established in the Triangle Regional 7 Year Long Range Travel Demand Management Plan. This information is located on page 66 of the Triangle Regional 7 Year Long Range Travel Demand Management Plan. Please note these numbers to be used are actually the FY 2013 numbers. Due to initial delays in implementing recommendations in the plan, the projections were moved back one year.

For the administrative budget, it should be noted that out of state travel is to be limited to one person from TJCOG to attend the Association of Commuter Transportation Conference and the Southeast Association of Commuter Transportation Symposium. For the Triangle TDM Programs, travel (other than local travel) is to be limited to a total of ten people from Triangle TDM Programs to attend either the Association of Commuter Transportation Conference or a conference pre-approved by the Triangle TDM Committee as well as the Southeast Association of Commuter Transportation Symposium.

Note: Hard copies of application must be arranged in the order shown below.
