## November 2019 Edition

### As Days Shorten, Watch for Deer and Pedestrians

As the daylight hours get shorter and deer become more active, remember to stay alert and pay extra attention, especially at dusk and dawn. Last year, there were nearly 19,000 animal-related crashes across the state.

Drivers and pedestrians also should be more aware of each other when it's dark. If you are [walking or riding a bicycle](#), make yourself more visible at night by carrying a flashlight and

wearing reflective material, such as stickers or armbands.

### Division 1 Crews Prepare for Winter Weather

NCDOT crews are preparing for the winter storm season by conducting drills and becoming familiar with their snow routes.

Did you know the department can store up to 170,000 tons of salt and sand?

#### ***Get Monthly Construction Updates on Major Division 1 Projects***

Two of Division 1's biggest ongoing projects are now posting monthly updates detailing ongoing construction activities. For both the Rodanthe 'Jug Handle' Bridge project in Dare County and the U.S. 17 Business Improvements project in Perquimans County, NCDOT is now posting a Planned Construction Activities update every month, detailing when and where construction is place. You can log onto the NCDOT project pages to see the updates online, or sign up to receive an email when the updates are published!
