

NORTH CAROLINA Department of Transportation

Division 4

COUNTIES SERVED | Edgecombe, Halifax, Johnston, Nash, Wayne and Wilson

June 2025 Edition

Hurricane Preparedness

With hurricane season underway, NCDOT is preparing for potential future storms. Crews across the state are ensuring equipment and vehicles are running properly and taking inventory of important signage as well.

In the case of an event, our crews will be ready, and we want you to be ready, too.

Use DriveNC.gov, which provides real-time travel information for North Carolina. During major storms, NCDOT updates the site to include the latest weather-related impacts to transportation.

NCDMV Resumes Saturday Hours

The N.C. Division of Motor Vehicles has resumed Saturday hours at 20 driver license offices across the state.

Services will be provided from 8 a.m. - noon Saturdays through Aug. 20.

Customers are still encouraged to utilize the [NCDMV's online services](#) for various needs, including but not limited to renewing or ordering duplicates of driver licenses

and ID cards, address changes and voter registration cards.

100 Deadliest Days of Summer Begin

The period between Memorial Day and Labor Day is nationally recognized as the most dangerous time of year for teen drivers.

In 2021 alone, nearly 14,000 crashes in North Carolina involved teen drivers. The Governor's Highway Safety Program and its partners are working to promote safer driving habits among teens.

You can help make a difference. Start a conversation with a teen you know about the importance of safe driving. Encourage them to take advantage of the NCDMV's Graduated Driver License (GDL) program, which helps young drivers gain experience under safer conditions.

Together, we can help reduce teen crashes and save lives.

News Near You

Division 4 Holds Equipment Operator Safety Training Conference

WILSON – More than 100 employees of highway Division 4 competed on April 30 in a training competition involving heavy equipment, such as tractors, backhoes, motor-graders and lowboy trucks.

The annual event is informally known as the 'roadeo' and provides an opportunity for the employees to hone their driving and operating skills, but in a safe environment away from traffic.

All 14 highway divisions of the N.C. Department of Transportation hold these events each spring. The winners from each division advance to the state finals this month.

[Rocky Mount Highway Interchange Requires Ramp Closure](#)

ROCKY MOUNT – One of the ramps at the large junction of Interstate 95 and U.S. 64 in Nash County temporarily closed this month.

A state highway contractor closed the I-95 North ramp to U.S. 64 East and U.S. 64 West. This ramp is expected to reopen by the end of June.

While the ramp is closed, the contractor will be placing the collector-distributor lane in its final pattern to serve the new Sunset Avenue interchange on I-95. Once the ramp from I-95 North to U.S. 64 is reopened, motorists on I-95 will continue to use Exit 138 to access

U.S. 64, but this exit will be one mile farther south than its current location.
