Memorial Day Click It or Ticket

Whether you're driving or riding, always wear your seatbelt. It's proven to save lives.

The Governor's Highway Safety Program is running its statewide Memorial Day Click It or Ticket campaign from May 18 through June 1.

Law enforcement will increase patrols across all 100 counties to ensure everyone is properly buckled up.

Stay safe! Memorial Day is approaching, and the GHSP and its partners will be watching out for you.

Litter Sweep Wrap Up

The department's Spring Litter Sweep just concluded, with 434,235 pounds of litter collected from North Carolina's roadsides.

With over 80,000 miles of state-maintained roads, we need everyone's help to keep our highways clean.

Youth, Motorcycle & Bicycle Safety Campaigns

May is National Youth Traffic Safety Month, Motorcycle Safety Awareness Month and National Bicycle Safety Month.

In North Carolina, motorcycles make up just 2% of registered vehicles but account for nearly 10% of road fatalities. Proper training, wearing helmets, and following traffic laws greatly reduce the risk of crashes.

Drivers should stay alert, watch for motorcycles and bicycles, and always share the road.

NCDOT offers a variety of [safety resources](#) to help protect all users of the state-maintained road system.

News Near You

The Division 8 Equipment "Rodeo" took place in Rockingham late last month.

The annual event, held in each of NCDOT's 14 divisions across the state, tests the safety awareness and skill level of employees who operate heavy equipment.

These friendly competitions emphasize the importance of safety, while fostering a sense of team spirit and recognizing excelling employees.

Winning participants will go on to the State Championships in Concord later this summer.
