July 2024 Edition

Let Us Know What Projects Matter to You!

The N.C. Department of Transportation is holding a public comment period through July 17 to help identify projects for the state's next 10-year transportation capital plan.

Drop-in sessions have been held in all 14 Highway Divisions since the comment period began in June. But there is still time to offer input through an online survey.

Hurricane Preparedness

With hurricane season underway, NCDOT is preparing for potential future storms. Crews across the state are ensuring equipment, like trucks and chainsaws, is running properly and taking inventory of important signage as well.

In the case of an event, our crews will be ready, and we want you to be ready, too.

National Vehicle Theft Prevention Month

July is Vehicle Theft Prevention Month. To prevent theft of and from your vehicle, check out the N.C. License and Theft Bureau's vehicle theft page for resources.
