As Days Shorten, Watch for Deer and Pedestrians

As the daylight hours get shorter and deer become more active, remember to stay alert and pay extra attention, especially at dusk and dawn. Last year, there were nearly 19,000 animal-related crashes across the state.

Drivers and pedestrians also should be more aware of each other when it's dark. If you are [walking or riding a bicycle](#), make yourself more visible at night by carrying a flashlight and wearing reflective material, such as stickers or armbands.
