Litter Sweep Wrap Up

The statewide Spring Litter Sweep just wrapped up and so far this year we've collected over 2.2 million pounds of litter.

In 2023, more than 11 million pounds of trash were collected from North Carolina roadsides. With more than 80,000 miles of state-maintained roads, we need everyone's help to keep our roadsides clean.

Check out our Litter Sweep [webpage](#) to find out how you can get involved going forward!

Memorial Day Click It or Ticket Campaign

Memorial Day is approaching and the Governor's Highway Safety Program and its partners will be looking out for you.

From May 20 through June 2, GHSP will be running their annual Memorial Day Click It or Ticket Campaign, ensuring people are properly buckled up.

Division 14 Safety Conference Includes Competition

CLYDE – More than 100 N.C. Department of Transportation employees from the 10 westernmost counties blended competition, camaraderie and safety during a two-day conference at the Haywood County Maintenance yard in late April.

Training sessions centered on pretrip process, safe equipment operation and expanding on existing skills. The camaraderie centered around seeing other employees from across Division 14 to share success stories from maintenance work of the last year, as well as casual conversations about families and fishing.
