## Our Mission:

Connecting people, products and places safely and efficiently with customer focus, accountability and environmental sensitivity to enhance the economy and vitality of North Carolina.

## Purpose

The purpose and need for this project is based on the economic development of Craven County, projected traffic volumes and continued needs for connectivity in the area. This project has multiple goals including:

- Alleviate existing and future congestion
- Improve regional mobility
- Improve reliability of the roadway network within the study area
- Upgrade the corridor consistent with local government visions
- Provide connectivity between local community and local destinations
- Reduce congestion-related accidents

As the project progresses and the environmental document is prepared, a more refined project purpose and need statement will be developed.

## Planning Purpose

NCDOT is studying potential impacts to people in the communities, the natural environment, and other factors as part of the alternative development process, with the intent to minimize impacts whenever possible.

## Alternates

NCDOT requests feedback on the following access alternates:

1. Signalized Intersection at Savoy Drive and N.C. 43
2. Service Road with Signalized Access to N.C. 43
3. Left-over Access with U-turns at Savoy Drive and N.C. 43
4. Service Road with Left-over Access with U-turns
