

**NCDOT TO HOLD PUBLIC MEETING ON AUGUST 17 FOR THE  
PROPOSED IMPROVEMENTS TO THE INTERSECTION OF OLD U.S. 421 AND  
SPEER BRIDGE ROAD**

**TIP Project No. R-5730**

The N.C. Department of Transportation will hold a public meeting regarding the proposed improvements to the intersection of Old U.S. 421 and Speer Bridge Road in Yadkin County.

The meeting will take place on **Thursday, August 17**, at the **NC DOT Maintenance Facility** located at **1636 Shacktown Road in Yadkinville** from **4 p.m. to 7 p.m.** Interested citizens may attend at any time during the above hours as there will be no formal presentation. NCDOT representatives will be available to answer questions and receive comments regarding the proposed project. Citizens will also have the opportunity to submit comments and questions in writing. All written comments and questions need to be submitted no later than Monday, September 18.

NCDOT proposes to improve the existing intersection of Old U.S. 421 and Speer Bridge Road by converting the intersection to a roundabout intersection.

The purpose of this project is to improve the safety and traffic flow of the intersection. Slower speeds and less conflict points at the roundabout reduce the frequency and severity of accidents. Moreover, delays are reduced due to the smooth flow of traffic rather than the stop-and-go traffic of normal intersection.
