**General Need and Purpose for the Project:**

The North Carolina Department of Transportation (NCDOT) proposes to widen portions of 15th Street and install a raised median, creating a four lane divided roadway from U.S. 17 Business (Carolina Avenue) to 12th Street/Brown Street. Median breaks will be provided for left turns as traffic volumes warrant. U-turns will also be provided at multiple locations.

*Project Need:* Traffic congestion on 15th Street project corridor in Washington.

*Project Purpose:* To improve traffic and operational safety along the length of the project.

Your comments on the 15th Street Widening and Access Management Project are important.

Please provide responses to the following questions:

1) How do you use 15th Street? (Please check all that apply)

I work near 15th Street  I live near 15th Street  I commute on 15th Street

I visit 15th Street for business (e.g., restaurants/shopping, doctor's office, etc.)

Other: \_\_\_\_\_

2) How often do you use 15th Street?

Less than 4 times/month  1-3 days/week  4-5 days/week  Every day of the week
