

Capital Boulevard Bridge Replacement Projects

Transportation Improvement Program Project No. B-5121/B-5317

Public Hearing Scheduled for April 22

NCDOT is holding a public hearing for the project to replace bridges at the two interchanges on Capital Boulevard, at Peace Street and at Wade Avenue. Public meetings have been held previously in September 2011, October 2012, and November 2013. An Environmental Assessment (EA) was approved in December 2013. NCDOT recommends Alternative P5 at Peace Street (square loop interchange) and Alternative W-Base at Wade Avenue (trumpet interchange).

Please provide written comments by May 23, 2014. Following this hearing and the comment period, a preferred alternative will be selected and the final environmental document, a Finding of No Significant Impact (FONSI) will be prepared. The EA, public hearing maps, and more information is available on the project website: www.ncdot.gov/projects/CapitalBlvdBridges.

Project Description

The purpose of replacing the bridges is to maintain safe, reliable structures for long term use. While the existing bridges are still adequate and safe for traffic, they are nearing the end of their design lives and need to be replaced in a timely manner. Businesses at the interchanges may be affected, either because of a change in access or because their property will be acquired as part of this project. No residential relocations are anticipated.

Raleigh's *Capital Boulevard Corridor Study* and NCDOT's *Southeast High Speed Rail Project* are likely to affect the same section of Capital Boulevard as the bridge replacements. NCDOT has continued to coordinate closely with the City of Raleigh to ensure that the projects are consistent with each other, and to reduce the length and number of times the roadways need to be under construction.

PUBLIC HEARING DATE

Tuesday, April 22, 2014
4 - 7 pm (drop in any time)
Duke Energy Center for the Performing Arts,
Memorial Lobby
2 East South Street, Raleigh

FOR ADDITIONAL INFORMATION, CONTACT: Mr. Ahmad Al-Sharawneh, NCDOT Project Manager, at aalsharawneh@ncdot.gov, 919-707-6010, or 1548 Mail Service Center, Raleigh, NC 27699-1548.
