2. There is no alternative route that would not affect the natural or human environment in some way. Any there any types of project effects or impacts that are of particular concern to you? These can include such things as protected species, streams, wetlands, neighborhoods, noise, visual impacts, parks, historic sites, etc.

3. What other comments do you wish to share with us about the Complete 540 project?

You may return this form to us electronically by clicking the button at the bottom of this page, or you can print it and mail it (or scan it and email it) to the address below. Please note that all comments must be received by JANUARY 8, 2016.
