

SECTION 5

LIST OF PREPARERS

This document was prepared by the North Carolina Department of Transportation with assistance from H.W. Lochner, Inc. The persons listed below were responsible for preparing this FEIS, material from the DEIS, and/or background studies.

North Carolina Department of Transportation

Robert Hanson, PE	Eastern Region Unit Head; 21 years experience
Brian Yamamoto, PE	Eastern Region Consultant Engineering Group Leader; 18 years experience
Elizabeth Smyre, PE	Project Development Engineer; 7 years experience
Colista Freeman, PE	Project Development Engineer; 7 years experience
H.W. Lochner, Inc.	
Tim Bassette* Environmental Biologist	M.S. in environmental science and B.A. in biology with 8 years experience in natural resources investigations/ environmental permitting and 4 years experience in environmental chemistry
Stephen C. Browde, PE Senior Roadway Design Engineer	B.S. degree in civil engineering with 22 years experience in roadway design
Roy D. Bruce, PE Project Manager	M.S. and B.S. degree in civil engineering with 27 years experience in transportation engineering, environmental analysis, and document preparation

Section 5 – List of Preparers

Brian Byfield, AICP Senior Planner	M.R.P and BSc. degrees in regional planning & physical planning respectively with 13 years experience in transportation, environmental planning and NEPA documentation
Brian Eason, PE Project Manager/Design Unit	B.S. degree in civil engineering with 17 years experience in roadway design
Michelle Fishburne, PE* Project Manager	B.S. degree in civil engineering with 18 years experience in transportation planning and document preparation
Eric Galamb, PWS* Project Manager/Natural Resources	B.S. in environmental management and biogeography with 18 years of experience in natural resources investigations/environmental permitting, wetland and stream mitigation
Kristin Maseman, AICP Senior Environmental Planner	M.R.P. in Urban Planning and B.A. in biology with 7 years experience in environmental planning and NEPA documentation.
Emily Rackley* Environmental Biologist	B.S. in biology with 5 years experience in natural resources investigation
Heather Renninger* Environmental Biologist	B.S. in ecology with 6 years experience in natural resources investigation/environmental permitting and stream restoration.
Suzanna Rea, PE* Senior Transportation Planner	B.C.E. degree in Civil Engineering with 7 years experience in transportation planning and document preparation
Dave Shannon, PE Design Engineer	B.S. degree in civil engineering with 13 years experience in engineering and environmental analysis
Christina Shumate, AICP* Environmental Planner	M.E.M. degree in environmental management with 6 years experience in environmental planning and NEPA documentation.
Michelle Suverkrubbe, AICP Senior Land Use and Environmental Planner	B.S. in biological science with 21 years experience in environmental and land use planning and NEPA document preparation
Cindy Szwarcokop, AICP*	M.U.R.P. in urban and regional planning with 12 years

Section 5 – List of Preparers

Senior Land Use Planner	experience in land use planning and NEPA document preparation.
Chris Werner, PE* Transportation Engineer	B.S. degree in civil engineering with 6 years experience in environmental planning and roadway design.
Doug Wheatley, EI Transportation Engineer	B.S. in civil engineering with 3 years experience in roadway design
Jonathan Williamson GIS Technician	B.S. in applied geography with 6 years experience in GIS data analysis and map preparation
Dave Zawada, PE Environmental Engineer	M.S. and B.S. degrees in civil engineering with 33 years experience in environmental analysis and document preparation

* No longer employed with H.W. Lochner, Inc.
