

I-85 Interstate Improvements

Design Updates in the Vicinity of U.S. 29/601 and N.C. 152

Public Meeting

July 14, 2016

TIP Project No. I-3802B

Project Description

Since Public Meetings were held in 2013, the N.C. Department of Transportation has continued work on I-85 Interstate Improvements Project (I-3802B). The plan for the U.S. 29/601 direct connection to I-85 and the U.S. 29/N.C. 152 interchange has been updated and is presented at today's meeting.

The project is included in the 2016-2025 State Transportation Improvement Program (STIP) and is scheduled to begin right of way acquisition in the fall of 2016. The initial stages of construction on I-85 will begin in late summer 2016.

Design Updates

The project team has been evaluating options to improve operations and safety while reducing the project's effects on the community and the environment. The following revisions are proposed to the project in the vicinity of U.S. 29/601 and N.C. 152 (please refer to the public meeting map and proposed typical sections).

- ◆ Direct connection of U.S. 29/601 to I-85 is removed. Vehicles previously using this direct connection will utilize the improved interchange with N.C. 152 to access I-85.
- ◆ Redesigned U.S. 29/N.C. 152 interchange to improve capacity and operation to accommodate the removal of the U.S. 29/601 direct connection.

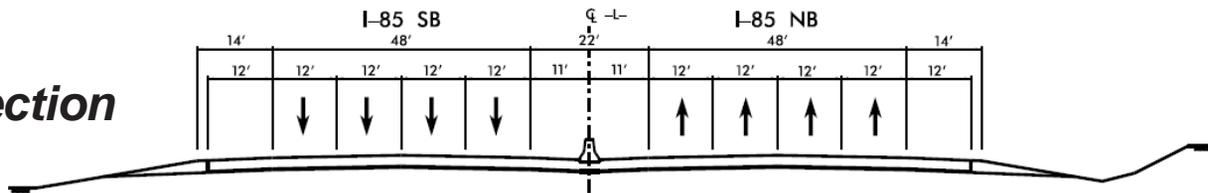

Your Input Is Important!

Public involvement is an important part of the planning process. NCDOT encourages citizen involvement on transportation projects, and will consider your suggestions and address your concerns.

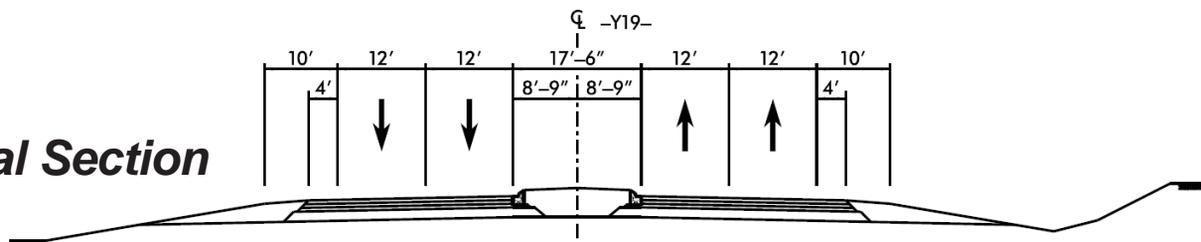

Today's meeting is another important step in (NCDOT) efforts to keep you, the public, involved in the planning and development of the project. The meeting is being held to obtain your input on the design of the project.

Comments will be accepted until Thursday, July 28, 2016.

TITLE VI PUBLIC INVOLVEMENT FORM

Completing this form is **completely** voluntary. You are not required to provide the information requested in order to participate in this meeting.

Meeting Type: Public Meeting Location: Jesse C. Carson High School China Grove, NC	Date: July 14, 2016
STIP No: I-3802B Project Description: I-85 Interstate Improvements, Design Updates in the Vicinity of U.S. 29/601 and N.C. 152.	

In accordance with Title VI of the Civil Rights Act of 1964 and related authorities, the North Carolina Department of Transportation (NCDOT) assures that no person(s) shall be excluded from participation in, denied the benefits of, or subjected to discrimination under any of the Department's programs, policies, or activities, based on their race, color, national origin, disability, age, income, or gender.

Completing this form helps meet our data collection and public involvement obligations under Title VI and NEPA, and will improve how we serve the public. Please place the completed form in the designated box on the sign-in table, hand it to an NCDOT official or mail it to the PDEA-Human Environment Section, 1598 Mail Service Center, Raleigh, NC 27699-1598. All forms will remain on file at the NCDOT as part of the public record.
