NC 24/27 CARTHAGE

Event Code	Date	Venue	Community	Map Code	Map Focus Area (MFA)	Recommendation Code	Solution Description	Protected	Comments	Bikes	Sidewalks/Pedestrian Treatments	Safety Issues	Transit
1102B_5_24	11/2/2012	Carthage Community Center	Carthage	5	24	BS-NL	Upgrade included a southern bypass beginning in the vicinity of Myrick Rd west of Carthage, proceeds southeast on new location connecting to existing US 15-501 south of Carthage close to the NC 22 US 15-501 intersection.	Critical Watershed, Needmore Rd community, Dowd community, cemeteries south of Carthage along US 15-501, Goodwin State Forest, Stonegate community, intersection of Old River Rd and Glendon-Carthage Rd. property near Savannah Garden Dr, .	"A bypass of Carthage is inevitable--Key is to identify the least negatively impacting route." "A tunnel needs to be built under the traffic circle in Pinehurst." Table participants had varying opinions about solutions provided on map: One participant said they did not approve either the Expressway or the Bypass route; Another did not approve a southern bypass of Carthage; Another did not approve either a northern or a southern bypass.	None recorded	None recorded	None recorded	None Recorded
1102B_5_24	11/2/2012	Carthage Community Center	Carthage	5	24	BN-NL	Table 5 could not come to a consensus, so the participants chose to record two solutions. The northern bypass began in Myrick Rd vicinity west of Carthage and proceeded north into Lee County re-entering Moore county west of Glendon-Carthage Rd tracking north and west of Priest Hill Rd, and re-joining NC 24/27 at the US 15-501 split.	Critical Watershed, Needmore Rd community, Dowd community, cemeteries south of Carthage along US 15-501, Goodwin State Forest, Stonegate community, intersection of Old River Rd and Glendon-Carthage Rd. property near Savannah Garden Dr, .	Residents comments: "A bypass of Carthage is inevitable--Key is to identify the least negatively impacting route." "A tunnel needs to be built under the traffic circle in Pinehurst." Table participants had varying opinions about solutions provided on map: One participant said they did not approve either the Expressway or the Bypass route; Another did not approve a southern bypass of Carthage; Another did not approve either a northern or a southern bypass.	None recorded	None recorded	None recorded	None Recorded
1102B_6_24	11/2/2012	Carthage Community Center	Carthage	6	24	BS-NL	Provide bypass expressway south beginning west of Bethlehem Church Rd, avoiding Carthage satellite airport, passing south of Dowd community and Connell Rd, intersecting US 15-501 near Summer Hill Church Rd, following US 15-501 north to point just south of Niagara-Carthage Rd intersection, breaking due east on new location picking up existing Grady Rd and intersecting NC 24/27 existing corridor. Improvements also included local Dowd Rd,	Wetlands east and west of Kelly Plantation Rd, Volunteer Agricultural Districts north of Carthage, water feature of Priest Hill Rd, critical watershed, all neighborhood roads in Dowd community, NC 22, water feature at the southeast tip of Goodwin State Forest,	None Recorded	None Recorded	None Recorded	None Recorded	
1102B_10_24	11/2/2012	Carthage Community Center	Carthage	10	24	BN-NL	Solutions included northern bypass expressway around Carthage beginning east of Myrick Rd tracking due north into Lee County re-entering Moore County and intersecting Old River Rd south of Wadsworth Rd and continuing to NC 24/27 intersection with US 15-501 west of Carthage. Roadway improvements also included Dowd St to Dowd Rd with added sidewalks the length of the roadway.	Glendon-Carthage Rd near Stonegate community, missing cemetery, intersection with US 15-501 especially southeast quadrant, Needmore Rd especially lots toward the end of the street, the Dowd community, community along what appears to be Burle Rd, Brooklyn St, community south of Joel Rd intersection with US 15-501.	None Recorded	None Recorded	None Recorded	None Recorded	
1102B_11_24	11/2/2012	Carthage Community Center	Carthage	11	24	BN-NL	Solution included bypass north beginning in the vicinity of Kelly Plantation Rd, running north of Needmore Rd and turning south toward NC 24/27 west of Priest Hill Rd. The bypass re-joins NC 24/27 at the US 15-501 intersection west of Carthage. Local road improvement included parallel backage roads as service roads improving Poplar St and a new location road west of US 1.	Needmore community, Dowd Community, community off of Niagara-Carthage Rd at Walter Rd,	None Recorded	None Recorded	None Recorded	None Recorded	
1102B_13_24	11/2/2012	Carthage Community Center	Carthage	13	24	BN-NL	Recommended solution included a northern bypass beginning west of Bethlehem Church Rd, continuing north of two Voluntary Agricultural Districts on Old River Rd, tracking just north of Needmore Community, intersecting with interchanges and bridges at Glendon Rd, Old River Rd, and US 15-501. the bypass rejoined NC 24/27 at US 15-501 split and continued to Cameron.	Old River Rd, farm land on Glendon-Carthage Rd south of Old River Rd as well as the historic site near Stone Gate, existing NC 24/27 through downtown Carthage, the court house, Dowd Street, critical watershed, Goodwin State Forest, Improvements on local roads included Dowd Street	Resident comments: "Be careful not to split existing communities",	None Recorded	Dowd Rd from Airport area to court house.	Street lights and sidewalks of road from airport to court house. (Dowd Rd)	None Recorded
1102B_15_24	11/2/2012	Carthage Community Center	Carthage	15	24	BN-NL	Recommendation includes a bypass to the north beginning in the vicinity of Old Glendon Rd, tracking north of communities around Martin St but south of Volunteer Agricultural Districts at Old River Rd and Glendon-Carthage Rd, turning south and rejoining NC 24/27 in the vicinity of Union Church Rd.	Churches on Bethlehem Church Rd, Needmore community, Dowd community, churches along Dowd Rd to the airport (Carthage), community along Sunset Dry, critical watershed, courthouse traffic circle, existing NC 24/27 corridor through downtown,	None Recorded	None Recorded	None Recorded	None Recorded	
1102B_17_24	11/2/2012	Carthage Community Center	Carthage	17	24	BN-NL	Recommendation includes a bypass expressway to the north beginning in the vicinity of Old Glendon Rd, tracking north of communities around Martin St but south of Volunteer Agricultural Districts at Old River Rd and Glendon-Carthage Rd, turning south and rejoining NC 24/27 in the vicinity of Union Church Rd.	Critical watershed, existing NC 24/27 through proposed development west of Carthage near Scott Rd intersection, Union Church Rd near Grady and Scott Rd intersection, property along Dowd Rd near historic site and cemetery -- seems to be open land between Dowd, Lamms, and Barber Rd, property west of Glendon-Carthage Rd and across from Stonegate, Goodwin State Forest.	With left over budget, improve secondary bridges and roads through out the county.	None Recorded	None Recorded	None Recorded	None Recorded

NC 24/27 CARTHAGE

Event Code	Date	Venue	Community	Map Code	Map Focus Area (MFA)	Recommendation Code	Solution Description	Protected	Comments	Bikes	Sidewalks/Pedestrian Treatments	Safety Issues	Transit
1104A_5_24	11/4/2012	Douglas Community Center	Carthage	5	24	NS	Recommendations shown on the map did not include a bypass solution, but did show improvements to US 15-501 heading north.	Downtown Carthage, court house, Volunteer Agricultural Districts north of Carthage and near Stongate, Needmore community,	Desire to improve 15-501 to Glendon Carthage Rd all the way because of logging trucks.	None Recorded	None Recorded	None Recorded	None Recorded
1104A_7_24	11/4/2012	Douglas Community Center	Carthage	7	24	NS	Town of Carthage	None Recorded	None Recorded	None Recorded	None Recorded	None Recorded	None Recorded
1104A_8_24	11/4/2012	Douglas Community Center	Carthage	8	24	NS	Recommendation for NC 24/27 does not take into account NC 24/27 traffic eastbound or westbound through Carthage.	Downtown Carthage, court house, Critical Watershed, Volunteer Agricultural Districts north of Carthage and near Stongate, Needmore community,	Recommended solution combined NC 24 and Western Connection route. See Cameron	None Recorded	None Recorded	None Recorded	None Recorded
1104A_10_24	11/4/2012	Douglas Community Center	Carthage	10	24	NS	No solution offered.	None Recorded	None Recorded	None Recorded	None Recorded	None Recorded	None Recorded
1104A_15_24	11/4/2012	Douglas Community Center	Carthage	15	24	NS	No solution offered.	Downtown Carthage and/or court house	None Recorded	None Recorded	None Recorded	None Recorded	None Recorded
1104A_16_24	11/4/2012	Douglas Community Center	Carthage	16	24	BN-NL	Solution rerouted NC 24/27 to US 15-501 and then intersected US 1 north of Moore CountyLine boundary. Bypass completely avoided Cameron and bypassed Carthage to the north beginning at US 15-501 split east of Carthage heading north but passing south of all Volunteer Agricultural Districts with the entrance to Needmore Rd being from the expressway instead of Old Glendon Rd rejoining NC 24/27 west of Bethlehem Church Rd.	None Recorded	None Recorded	None Recorded	None Recorded	None Recorded	None Recorded
1104A_17_24	11/4/2012	Douglas Community Center	Carthage	17	24	BN-NL	Recommendations include a northern bypass beginning near Kelly Plantation Rd and tracking north of Needmore community avoiding Voluntary Agricultural Districts, historic sites, churches and cemeteries, intersecting Old River Rd north of Priest Hill Rd. The remainder of the recommendation is in open land on new location until its intersection with US 15-501. Other improvements include the widening of the existing NC 24/27 route between Carthage and Cameron.	Downtown Carthage and court house,	None Recorded	None Recorded	None Recorded	None Recorded	None Recorded
