RATES

Tolls are based on how far you drive and what kind of vehicle you drive (how many axles). You pay a toll each time you pass through a toll zone.

PAYMENT

Transponder: NC Quick Pass is the most cost-effective payment method, offering up to a 35% savings on tolls.

No transponder? A camera will snap a picture of your license plate, and you'll receive a Bill by Mail. Please note toll rates are higher for this option.
