

**NCDOT TO HOLD A PUBLIC MEETING REGARDING PROPOSED
IMPROVEMENTS TO THE U.S. 421 INTERCHANGE
WITH PEACEHAVEN ROAD (S.R. 1891)
IN FORSYTH COUNTY
STIP PROJECT R-2247CD**

The public meeting will take place on **Monday, October 23, 2017**, from **4 to 7 p.m.** at the **Jerry Long Family YMCA** located at **1150 South Peacehaven Road** in **Clemmons**. This meeting is being held to provide an update on the proposed interchange improvements.

This project is being constructed as part of the design-build process used by NCDOT to complete projects faster. The design-build method allows the design, environmental permitting, utility relocation and construction to take place under one contract, which reduces overall construction time, helps the department avoid cost inflation, lessens environmental impact and alleviates driving delays for motorists.

Maps of the project will be available for viewing. An opportunity to discuss the project with NCDOT and Design Build team members, ask questions, and provide feedback will be available. No formal presentation will be made. Attendees will also have the opportunity to submit written comments and questions until **November 13, 2017**.

The public can view information on the project webpage: <https://www.ncdot.gov/projects/wsnb/> and the NCDOT Public Meetings website: <https://www.ncdot.gov/projects/publicmeetings/>.
