Project Description

The N.C. Department of Transportation proposes to construct a roundabout on Mineral Springs Road (S.R. 1917/1815) at Pleasant Drive (S.R. 1815) in Durham. The purpose of this project is to improve the safety of the Mineral Springs Road/Pleasant Drive intersection and the curve along Mineral Springs Road. This project is in the planning stage and is not currently funded.

Purpose of Tonight's Meeting

Maps of the proposed conceptual design are displayed around the room for your viewing. No formal presentation will be made. As you view the maps, NCDOT representatives are available to answer questions and listen to your comments regarding the project. NCDOT would like your input on the conceptual design and your safety concerns at the intersection. You are encourage to submit comments at tonight's meeting by using the attached comment sheet and placing it in the comment box. You may also submit comments **no later than May 8th** via mail, phone, or email to John Grant. Comments received will be taken into consideration as the project develops.
