TIP Project No. I-4759

Buncombe County

The North Carolina Department of Transportation (NCDOT) will hold an informal, Combined Public Hearing for the proposed conversion of Liberty Road (S.R. 1228) Grade Separation over I-40 to an interchange, and construction of a new roadway between U.S. 19 (Smokey Park Highway) / N.C. 151 and Monte Vista Road (S.R. 1224) in Asheville.

The project addresses the lack of connectivity along I-40 between U.S. 19/23 and Wiggins Road by providing an alternate access point to I-40.

The informal style public hearing will be held in the **Gymnasium at St. Francis Asbury United Methodist Church**, located at **725 Asbury Road**, in **Candler** from **4 to 7 p.m.** Interested citizens are encouraged to attend at any time during those hours. NCDOT and Consultant staff will be available to provide information on the project, answer questions and receive comments. Please note there will be no formal presentation.

A map of the proposed project is available on the NCDOT Public Meetings Website at: <http://www.ncdot.gov/projects/publicmeetings/>.
